All purchases subject to EFJohnson's standard sales terms & conditions. No substitutions or changes to quoted configurations in this promotion. * Feature options originally purchased with X radios will be included at no additional charge. New features can be purchased at normal discounts. Does not include codeplug conversion or programming. Radios must have been purchased new from EFJohnson or an authorized EFJohnson dealer (no resold X radios will be honored). Trade-in radios or certificate of destruction must be received by EFJohnson within 90 days of the receipt of new radios or promotion will be voided and pricing will revert to standard pricing.

Please ship trade-in units or certificate of destruction to:

EFJohnson Technologies | XCHANGE14 Promotion Trade-In | 2720 Commodore Drive, Suite #120 | Carrollton, TX 75007 USA
