

IPSC RADIO ID REQUEST FORM

Please provide following necessary information in six steps

If you are a vendor requesting ID(s), please communicate the following to the customer.

- Please allow five to seven business days to process your ID request.
- IPSC ID request(s) are processed on first in - first out basis.
- If ID(s) have NOT been reserved ahead of time, IPSC does not guarantee availability of radio IDs.
- IPSC will investigate IDs for this agency that have "NOT BEEN USED" during the last 24 months.

1. Name of the County where IPSC IDs are needed

2. Name of the Agency requesting IDS

NOTE: If more than one agency is requesting IDs, please list each agency.

3. Quantity of ID(s) needed

4. P25 Trunking Proof. IPSC will issue ID(s) only if Proof of P25 Trunking Readiness is provided for **each IPSC ID request.**

- For Motorola, BK Technologies, Harris, EF Johnson, and Tait radios, provide one of the following for each IPSC ID request: a) Radio Shipper document OR b) Code plug.

Is P25 Trunking Readiness Proof (for each ID) included in this IPSC ID request?

☐ YES ☐ NO

5. Radio Description

Please list Radio serial Numbers and Model # below

	"Portable" or "Mobile" or "Consolette"?	Radio Serial Number	Radio Model
	Example: P or M or C	Example: 123XXX78910XXX	Example: XTL 5000
