

LETTER OF AUTHORIZATION FOR RADIO TALKGROUP USE

_____ requests permission for operation of mobile and portable two-way radio talkgroups assigned to your agency on the State of Indiana Project Hoosier SAFE-T System. For security and control reasons authorized dealers and Motorola will not program talkgroups without permission of the agency who is assigned the talkgroup. It is understood that talkgroup sharing is for mutual aid or emergency situations and not for day to day operations or informal use. Agencies providing permission should provided specific guidelines for talkgroup use.

This request is DENIED.

The request is GRANTED with the following restrictions:

Permission is granted for all personnel of the agency listed above.

Permission is granted only for the personnel listed below:
