## Administrative Response to Serious Incident Policy

### Policy S-01

To ensure that ISBVI maintains a safe environment for ISBVI students, it is the policy of the Indiana School for the Blind and Visually Impaired to direct the ISBVI Superintendent to ensure that the ISBVI administration, ISBVI staff, contractors, and volunteers respond appropriately by 1) taking immediate emergency, therapeutic, or protective action as necessary to prevent students, staff, and visitors involved in serious incidents from further harm; 2) making reports in compliance with all laws and policies; 3) conducting internal fact finding inquiries or cooperating in formal external investigations with state personnel; state fire marshal; local, county, or state police; and agencies responsible for the protection of children and adult and 4) monitoring each specific incident to ensure appropriate resolution and prevention of further occurrence.
