

INDIANA SCHOOL FOR THE BLIND AND VISUALLY IMPAIRED

School Activities

Policy SS 18

Any employee or volunteer who plans any School Activity for students at the Indiana School for the Blind and Visually Impaired is responsible for knowledge of and compliance with the steps outlined in this procedure. Responsibility for monitoring staff compliance with this procedure lies with the Division Directors.

A School Activity is defined as any activity which occurs outside of the routine classroom, dormitory, athletic, or recreational activities, or involves one or more of the following: (a) Student travel off campus, (b) Use of a state vehicle, (c) School or student funds, (d) Use of school facilities.
