

# Indiana's very own WOODS ON WHEELS

Indiana Woods on Wheels is a traveling interactive exhibit that provides information about the Hoosier state's most renewable resource, our forests!

## What does Woods on Wheels have to offer?

- An educational forestry exhibit with interactive displays and games for students K-12.
- Find out about outdoor career options, gain woodland management expertise, and learn facts about Indiana forests, useful for policymakers, educators and the general public.
- Our Woods on Wheels forester will be there to answer questions, offer in-depth information and provide science-based forestry lessons to all Hoosiers!
