

2022 INDIANA HARDWOODS  
PRIMARY MILLS DIRECTORY

# 2022 INDIANA HARDWOODS PRIMARY MILLS DIRECTORY

**Hoosier forests offer a sustainable and natural raw material for manufactures that has an environmental impact that is difficult to beat!**

4.1 of Indiana's 4.9 million forest acres are privately owned and statewide timber growth exceeds removals for harvest and natural tree mortality by 2.3 times.

Indiana's hardwood industry has an annual economic impact of over **\$10 billion** and supports **70,000 jobs** — 44,000 in primary and secondary manufacturing and 26,000 in ancillary sectors.

**High-quality hardwood forests and a business-friendly environment, has made Indiana nationally ranked:**

- 1** Wood office furniture and hardwood veneer production
- 2** Wood kitchen cabinets and countertops, manufactured homes
- 3** Engineered wood products
- 4** Prefabricated wood buildings
- 5** Upholstered household furniture

The 2022 Indiana hardwoods directory contains contact information for primary mills whose business involves receiving raw logs and converting them into lumber, barrel staves, sliced veneer or other product. For more information, contact **Chris Gonso**, Hardwoods Program Manager, at [cgonso@isda.in.gov](mailto:cgonso@isda.in.gov)
