

Acres of Living Green Cover Planted After Soybeans in 2025

Acres of Living Green Cover - Soybeans

LGC Soybean Acres

Estimated of living green cover are produced by Indian Conservation Transect, a windshield survey of agricultural fields across the state of Indiana, which is conducted annually by the Indiana Conservation partnership every late winter / early spring. For more information about the conservation transect see: <https://www.in.gov/isda/divisions/soil-conservation/conservation-transect/>
