Re: LSA Document #20-311/ Economic Impact Statement

Ms. Owens,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small businesses associated with the rule changes contained in LSA Document #20-311 proposed by the Indiana State Department of Health.

Based on my assessment as the Small Business Ombudsman, I have concluded that the proposed rule will not have a negative impact on small businesses.

The economic impact statement prepared by Indiana State Department of Health states, "The proposed rule amendment imposes no cost on small businesses."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana State Department of Health conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at KColclazier@iedc.IN.gov.

Sincerely,

Katelyn Colclazier
