Stats Explorer provides quick access to publicly-available health and health-related statistics. Check it out at: https://gis.in.gov/apps/isdh/meta/stats_layers.htm

Starting your Stats Explorer search:

1. Select a topic from the drop-down list or enter a keyword into the text box and click search.

   ![Find, Explore, and Download Indiana Health Stats](image)

   **List by:** [ ] or **Find:** [ ]

2. For each result, expand the variable title to review the data description.

   ![Deaths from Drug Poisoning - Opioid](image)

   ![Non-Fatal Emergency Department Visits due to Opioid Overdoses](image)

   ![Opioid Submission Requests](image)

3. Click chart, map, or table icons to display the data in various formats.

   ![Non-Fatal Emergency Department Visits due to Opioid Overdoses](image)

Need more help? Check out the five tutorials on the bottom, left corner on the homepage. Tutorials are not compatible with Internet Explorer and older browsers.

*Rates based on counts less than 20 are considered unstable/unreliable (U) and should be interpreted with caution*
