

# Case Reports From EMS Residents

---

Dan O'Donnell, M.D.  
Medical Director IEMS/IFD/IMPD

---

**INDIANA UNIVERSITY**

School of Medicine  
Department of Emergency Medicine

# Importance of Audit and Review

- A chance to interact with your service on a regular basis
- Continuing education and med director involvement
- What makes for a good A&R
  - Case with multiple different treatment pathways/options
  - Practical introduction of new concepts/protocols
  - Cases where a mistake was made but a teachable moment
- \* "Cool" trauma with pictures not cited

# IU EMS Track

- Began in 2012
- Goal: Provide advanced EMS experience for EM residents interested in pursuing a career in EMS
  - Associate Medical Directors
  - “Boots on the ground” EMS experience
    - R2 on the ambulance
    - R3 on an administrative vehicle
  - Quarterly journal clubs
  - Longitudinal mentoring
  - “Mini fellowship”

INDIANA UNIVERSITY

# To the cases
