RE: Final Adoption of Developmental Disability Bracelet and Identification Card rule,
LSA # 17-445 (410 IAC 36)

The Indiana State Department of Health (ISDH) requests the Executive Board, at the Board's September 12, 2018 meeting, finally adopt the rule that adds 410 IAC 36 to establish application requirements for persons obtaining an Indiana developmental disability bracelet and identification card.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on October 4, 2017, starting the one year period to adopt this rule. A draft version of the rule was presented to the Executive Board for its review on November 8, 2017. The Executive Board finally adopted the rule at the July 11, 2018 Executive Board meeting, but there was a technical problem with the rulemaking requiring the Executive Board to adopt it again. No changes have been made to the rule since the proposed rule was posted in the Indiana Register on June 6, 2018.
