FOR IMMEDIATE RELEASE -July 30, 2012 – The manufacturer of Golden Corral Tartar Sauce, Dickey's BBQ Bean Sauce, Lee's Cole Slaw Dressing, Fatz Tartar Sauce, Ken's Tartar Sauce. These items contain onions from Gills Onions, which may have been contaminated with *Listeria monocytogenes*, an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and still births among pregnant women.

This recall comes as a result of a July 25, 2012, recall issued by Gills Onions, Oxnard, CA a supplier to Fresh Point, Atlanta. Fresh Point further processes the onions for Ken's Foods, Inc.

The products included in this recall are listed below. No other Ken's products are affected by this recall. As of this date, there have been no illnesses reported relating to this recall.

KE0666-Ken's Tartar Sauce	4/1-gallon containers	MFG: 09/JUL/12
