

Readoption Review

Local Health Services (Maintenance Fund)

410 IAC 24

IC 4-22-2.5-3.1(c) requires an agency to conduct a review to consider whether there are alternative methods of achieving the purpose of the rule that are less costly or less intrusive, or that would minimize the economic impact of the proposed rule on small business.

Description of Rule:

The Rule provides definitions for the Indiana Code (IC) that governs the Local Health Maintenance Fund.

Readoption Analysis:

- 1) **Is there a continued need for this rule? Please explain.**
Yes, we need the definitions for the IC as it assists our program in interpreting the grant guidelines set out in IC.
- 2) **What is the nature of any complaints or comments received from the public, including small business, concerning the rule or the implementation of the rule by the agency?**
ISDH has not received any complaints or comments from the public about this rule.
- 3) **Examine the complexity of the rule, including difficulties encountered by the agency in administering the rule and small businesses in complying with the rule.**
There have been no difficulties in interpreting the rule.
- 4) **To what extent does the rule overlap, duplicate, or conflict with other federal, state, or local laws, rules, regulations, or ordinances?**
It defines words in IC 16-46-1.
- 5) **When was the last time the rule was reviewed under this section or otherwise evaluated by the agency, and the degree to which technology, economic conditions, or other factors have changed in the area affected by this rule since that time?**
Rule was last adopted in 2013 and was reexamined at that time. Definitions will still stand and no changes need to be made before readoption.
