RE: Final Adoption of the Certificate of Need for Comprehensive Health Care Facilities
Rule, 410 IAC 40, LSA #19-685

The Indiana State Department of Health (ISDH), Maternal and Child Health program, requests the Executive Board, at the Board's March 11th meeting, finally adopt the administrative rule adding 410 IAC 40 to implement the certificate of need program required by IC 16-29-7.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on December 25, 2019 starting the one year period to adopt this rule. The Executive Board reviewed the proposed draft of this rule at the January 8, 2020 Executive Board meeting. ISDH has only made a grammatical change to the final rule from the proposed rule.
