Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined other safeguards provide sufficient protection to the patients. (see instructions.) Except for nursing homes, the findings stated above are disclosable following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosed days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

Review of patient 3's medical record lacked documentation of pain reassessment following pain medication administration and prior to discharge.</p> <p>3. Interview with A3, (Clinical Manager of the Emergency Department), on 01/03/2023, at approximately 11:45 am confirmed that patient 3's medical record lacked documentation of pain reassessment and was not assessed prior to discharge.</p> |                     | <p>Assessment and Documentation Guidelines. This education summary will be shared with all ED staff during in person daily huddles beginning February 2, 2024. There is an email version that is sent to all ED team members as part of the ED's weekly updates.</p> <p>The ED team is to review and sign off on the reading and understanding of the Pain Management and Documentation Policy by February 19.</p> <p><b>2. Prevention of the deficiency:</b><br/>Audit Tool has been created to capture pain assessment and reassessments in the ED. Beginning February 9, 2024, shift coordinators and the Manager of the ED will audit 30 charts per month for three months until 100% compliance, then monthly to assure sustained compliance. The data will be shared at ED staff meetings and feedback will be given to the nurses who did not document per policy.</p> |                            |
