2017-2019 Request for Applications (RFA) for Local Community-based and Minority-based Capacity Building Partnerships in Tobacco Prevention and Cessation

The Indiana State Department of Health’s Tobacco Prevention and Cessation Commission (TPC) seeks to fund grantees as local community-based and minority-based partnerships of Indiana’s tobacco prevention and cessation program. TPC wants to ensure that as many counties as possible conduct tobacco control programs in Indiana. No one single agency type has been selected as the Lead Agency for the community-based and minority-based programs. TPC recognizes that different organizations may assume this responsibility in different counties; therefore, coalitions must select one organization to serve as the lead agency. Capacity building grants will not be guaranteed for each and every county.

This RFA is an invitation for communities to join together to make the Indiana Tobacco Prevention and Cessation Commission’s vision…To significantly improve the health of Hoosiers and to reduce the disease and economic burden tobacco use places on Hoosiers of all ages…a reality for the State of Indiana.

This RFA is based on the objectives and strategies outlined in the Indiana Tobacco Control Strategic Plan. Coalitions should refer to TPC’s 2017-2019 Request for Application Workshop folder for additional resources. TPC reserves the right to correct any errors in and/or omissions in the RFA.

TPC is interested in the following Priority Areas:

- Decrease youth tobacco use rates
- Increase proportion of Hoosiers not exposed to secondhand smoke
- Decrease adult smoking rates
- Maintain a state and local infrastructure necessary to lower tobacco use rates

APPLICANT ELIGIBILITY

A public or private entity, state or local government entity as well as a public or private minority entity may apply as an agency for the capacity building grant with the TPC program. A minority entity is defined as an entity that is controlled by one (1) or more persons who are: (A) United States citizens; and (B) members of a minority group. “Minority group” means the following: (A) Blacks, (B) American Indians, (C) Hispanics, (D) Asian Americans, (E) Other similar minority groups as defined by 13 CFR 124.103. “Controlled” means having direct control over the management and active in the day-to-day operations of the entity.

TPC will accept more than one capacity building grant application per county.

A 2015-2017 lead agency cannot apply for a 2017-2019 capacity building grant within the county in which there was a grant during 2015-2017. The purpose of the Capacity Building Grant application is to bring in local partnerships for tobacco prevention and cessation that are not currently funded. The two-year capacity grant will allow for new partnerships to fully develop a local coalition and learn evidence based tobacco control practices.
What is a Lead Agency?

- **The Lead Agency is the Fiscal Agent.** A separate Fiscal Agent and Lead Agency is not allowed.

- **The Lead Agency must have a Federal Identification Number.** In order to receive grant funds, the Federal Identification Number used must be registered to the Lead Agency. TPC will not accept a Lead Agency using another organization’s Federal Identification Number.

Lead Agency Responsibilities

Fiscal Responsibilities

- Serve as the fiscal officer for the grant
- Submit Monthly or Quarterly Invoices and Quarterly Fiscal Reports by due dates
- Respond timely to periodic information requests
- Be registered with the Indiana Secretary of State
- Fulfill the terms of the contract
- Establish a separate account or ledger for grant funds to ensure that TPC funds are not comingled with other funds
- Participate in monitoring engagements to review fiscal compliance
- Conduct an audit to be paid by grant recipient (if required by law)
- Provide additional financial information if requested

Programmatic Responsibilities

- Participate actively in the preparation of the work plan
- Ensure that the Lead Agency is educated on tobacco control priorities
- Demonstrate collaboration with other key partners in the preparation of the work plan
- Agree to serve as the key contact point for required reporting to TPC
- Submit Monthly Program Reports by due dates
- In the temporary absence of a coalition coordinator, ensure that the Lead Agency is represented at coalition meetings, training events, conference calls and cluster meetings
- Assure that all grant related staff (coalition coordinator) participate in all TPC training events
- Participate in all evaluation and accountability activities including monitoring of subcontracts
- Respond timely to periodic information requests
- Promote and conduct the Youth Tobacco Survey data collection. Disseminate results to school administrators
- Designate an in-house Lead Agency staff person to serve as the Supervisor for the Coordinator. Coordinator will report directly to the Lead Agency staff person.
Lead Agency and Coalition Responsibilities

Although the Lead Agency plays a critical coordination and leadership role in the implementation of this grant, the coalition and related partners are the local Community Program. It is through the collaborative effort of this diverse group of committed organizations, and its resources, that work is accomplished and goals met. Coalition members are responsible for selecting the Lead Agency. The Lead Agency is responsible for supporting the coalition throughout the grant. The Lead Agency should be an active member of the coalition.

The coalition and its member organizations will carry out many of the activities outlined in the RFA; therefore, the Lead Agency plays an essential role in providing staff time and support to the coalition.

The Lead Agency must:

• Assure that a qualified coalition coordinator is employed full or part time to this program. Additional staff may be hired based on the needs of the coalition and the work plan.
• Assure that resources are available for the coalition that may include meeting accommodations and notices, logistical assistance and other necessary support.
• Assure that hours billed to this grant for staff time are devoted solely to working on the approved work plan.
• Assure that a communication mechanism is developed and maintained to keep coalition members informed of activities and events.
• Assure that the coalition’s member organizations are provided opportunities to develop specific experience in tobacco prevention and cessation interventions.

Coalition Training Requirements

Program staff must attend required TPC conferences, meetings, and training sessions.

Attending required training sessions and conferences is critical for building and maintaining the skills of the staff with responsibility for carrying out the program requirements and is a term and condition of this application. Program staff will accept technical assistance from TPC throughout the course of the grant period to implement their respective work plan. Program staff are required to participate in, at minimum:

• Conference Calls: All grantees are required to participate in all scheduled partnership conference calls (monthly).
• New Coordinator Training Program: All new coordinators are required to participate in the TPC Coordinator Training Program, including but not limited to Tobacco 101, Media & Policy Advocacy training, and the Coordinator-to-Coordinator (C2C) mentoring program.
• Regional Meetings and/or Cluster Meetings: Regional meetings scheduled for 2017-2019 (quarterly).
• Partner Information Exchange: 1 to 2 day statewide conference for program staff and coalition members (one per grant cycle).

A minimum of four (4) optional TPC trainings sessions (scheduled as needed).

Training Performance Measure

Evidence of attendance at required TPC conferences, meetings, conference calls, and training sessions will be required. The proportion of TPC partners receiving training is a TPC commission metric submitted quarterly to the Indiana State Department of Health’s Office of Public Health Performance Management (OPHPM).
TPC Responsibilities

Fiscal Responsibilities
- Indiana State Department of Health Tobacco Prevention and Cessation Commission (TPC) will monitor the fiscal process for each contract
- Review and approve contracts
- Receive and monitor required fiscal reports
- Provide training and technical assistance to contract agencies to assure compliance with fiscal rules and procedures to contract staff and to help manage budgets

Programmatic Responsibilities
- Guide the contracted program process by providing priorities for action
- Review goals, work plan activities and outcomes of coalition action using monthly program reports, throughout the contract
- Provide technical assistance and training throughout the contract using site visits, telephone, written communication and webinar, and electronic materials and information tools
- Provide management through assigned TPC program and administrative staff
- Communicate current tobacco control events at the international, national, state and local levels
GRANT DESCRIPTION

The grant consists of four sections with several forms and attachments. See Page 10 for the Application Checklist.

1. The **Administration** section outlines and requires completion of the Cover Sheet and Lead Agency Profile.

2. The **Coalition Assessment** section addresses how the coalition plans to build and maintain a partnership across diverse sectors of the community in order to develop a broad-based coalition of support for social norm changes related to tobacco control policy change. A portion of this section is devoted to identifying and assessing the disparately-affected population groups in the community.

3. The **2017-2019 Work Plan** section includes the work plan forms. Required community indicators are: Point-of-Sale, Tobacco-free Schools, Multi-Unit Housing, Quitline and Coalition (see page 9).

4. The **Budget** section describes the operation costs to conduct tobacco control programming and development of strategic work plans through June 30, 2019. A budget narrative with detailed descriptions must be included.

   Include a job description for ALL persons paid through the TPC Grant in the Budget section.
FUNDING AND BUDGETING

This contract period covers State Fiscal Years 2018 and 2019. The contract period starts on July 1, 2017 and ends on June 30, 2019.

Local Capacity Building grants will not be guaranteed for each county. There will not be a guaranteed allotment or a funding range for each county. However, as a guide for planning purposes capacity building grantees might budget for $50,000 to $100,000 for the two-year grant. Budget requests should reflect the needs of the community, the amount of work proposed in the work plan, and resources needed to be successful. The size of the county’s population will be a strong consideration. Applications will be reviewed through a competitive process. All grants are contingent upon the availability of funding.

The Lead Agency serves as the Fiscal Agent; the Fiscal Agent is the Lead Agency. TPC will execute the contract with the lead agency and this organization bears the fiduciary responsibility over both the program activities and funding received. Funds will be paid to the Lead Agency monthly upon receipt and approval of invoice.

Lead Agencies will be required to sign the contract, submit the IRS W9 form and Direct Deposit Authorization, and complete an on-line Bidder Registration, prior to receiving any funding. All non-governmental entities are required to submit audited financial statements. All funds paid by TPC will be directly deposited into the Lead Agency’s bank account.

All grants are contingent upon the availability of funding. “When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this contract, the contract shall be canceled. A determination by the Director of the State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.” Financial Management Circular #2007-1.
SUBMITTING AN APPLICATION

The completed application forms and all attachments must be submitted electronically via email at TPCApplications@isdh.in.gov and must be received before midnight EST on Friday, March 17, 2017.

APPLICATIONS WILL ONLY BE ACCEPTED AT THE EMAIL ADDRESS ABOVE. Please refer to the electronic submission instructions on TPC’s website for more information.

REVIEW PROCESS

A team consisting of members of the ISDH, TPC staff, and state and national tobacco control experts will review the proposals. The Review Team will evaluate proposals to ensure that each proposal meets the minimum requirements of this grant application, and will then submit funding recommendations to the ISDH for final approval.

Applications will be reviewed using the following criteria:

- Potential for community-wide impact
- Maximize limited funds
- Approach to coalition building and maintenance
- Partnership approach to achieving objectives
- Input from community partners in writing work plan
- Leadership and capacity of the Lead Agency
- Focus on policy and systems change
- Appropriateness of the budget
- Meets all contract requirements
- Thorough, focused work plans
- Appropriateness of the subcontract proposals, if used

TPC reserves the right to require additional materials to substantiate any claim made in the application and during the grant cycle.

CONTRACT REQUIREMENTS

The following are requirements for funding for all TPC community-based and minority-based grants. The Coalition Coordinator and Lead Agency must:

Work on the following Indicators and their corresponding Contract Deliverables

- **Point-of-Sale**: Extent of broad-based community support for tobacco point-of-sale strategies at the local level.
- **Tobacco-Free Schools**: Proportion of school districts with comprehensive tobacco-free campuses.
- **Multi-Unit Housing**: Proportion of comprehensive smoke-free policies in multi-unit housing, including public housing and privately-owned multi-resident buildings.
- **Quitline**: Extent of utilization of the Indiana Tobacco Quitline throughout the community.
- **Coalition**: Extent of participation by partners within the broad-based coalition.

Submit complete and accurate invoices, quarterly fiscal reports, and monthly program reports by the due date.

Administer the 2018 Indiana Youth Health Survey and/or Youth Tobacco Survey in local or surrounding schools, if selected. This may include schools in neighboring counties.

Participate in all required TPC conferences, meetings, training sessions, webinars/webcasts, and conference calls. Program staff will accept technical assistance from TPC throughout the course of the grant period to implement their respective work plan. All new coordinators are required to participate in the TPC Coordinator Training Program. See the Training and Technical Assistance document for detailed information.

Collaborate with TPC statewide and national partners on initiatives when appropriate and as directed. Projects to be awarded July 1, 2017. For a list of current statewide partners and description of projects, visit [http://www.in.gov/itpc/2349.htm](http://www.in.gov/itpc/2349.htm).

When working with organizations such as school districts, hospital systems, behavioral health centers, college and university campuses, and other workplaces on tobacco-related policy change in addition to city and county ordinances, model policies provided by TPC must be used.

Provide TPC with a copy of all newly-passed tobacco-free policies, including but not limited to the following settings: school district, university/college, behavioral health center, public housing and other multi-family housing, hospital campus, and community health centers.

When a local smoke-free air ordinance passes or is amended, provide TPC with a copy of the signed and filed (“official”) community smoke-free air ordinance.

Adhere to TPC communication requirements, which includes completing and maintaining a communications plan (see Recommended Communication Outreach reference page as a guide) and using all media materials, such as swiss cheese press releases or media advisories, that TPC instructs partners to customize and distribute to local media outlets.

Identify and educate local policymakers about how tobacco companies target disparately affected populations.

Demonstrate collaboration throughout the work plan with TPC funded minority-based or community-based partnership(s) in your community, if applicable.

Respond in a timely manner to ALL information and data requests from TPC throughout the duration of the grant cycle.

Submit all required forms upon award notification for timely contract execution. Forms include: Fundamentals of Smoke-Free Air Policy, Brand Use Agreement, W9, and direct deposit form. In addition, lead agencies must register with the State of Indiana’s online Bidder Registration (this will be provided by the ISDH Finance Department upon award notification).

Section 2: Coalition Assessment

This section of the application addresses how the coalition plans to build and maintain a partnership across diverse sectors of the community in order to sustain a broad-based coalition of support for social norm changes related to tobacco control.

Forms to complete in this section:

- Coalition Assessment
Coalition Assessment

Please respond to the following 5 questions in paragraph form.

1. How would you describe your community?

2. Explain the burden of tobacco in your community.
3. Describe a community level collaboration facilitated by the lead agency within the last 2 years

4. How do you plan to identify new partnerships and build on existing partnerships to form a tobacco control coalition? Be specific
5. List specific organizations you would target to build the coalition. Be sure to consider organizations that service priority populations.
Section 3: 2017-2019 Work Plan

TPC is interested in the following Priority Areas:

- Decrease youth tobacco use rates
- Increase proportion of Hoosiers not exposed to secondhand smoke
- Decrease adult smoking rates
- Maintain a state and local infrastructure necessary to lower tobacco use rates

Community Indicators

- Community Indicators provide strategies that work to achieve the program’s priority areas. Based on the community indicators in the submitted work plan, specific outcomes must be demonstrated throughout and at the end of the contract period. For each community indicator there is an expected outcome and a list of contract deliverables specific for the capacity building grant period. These are the minimum expectations and can be further refined upon award and technical assistance provided by TPC.

- SMART Objective – A SMART Objective is Specific, Measureable, Achievable, Results-oriented, and Time-limited. It states where you started, where you are going, when you plan to arrive, and how you will know you have arrived. Reference SMART Objective resource.

The work plan should include a SMART Objective for the indicator and describe the coalition’s vision for building capacity during the 2017-2019 grant cycle.
**Priority Area:** Decrease youth tobacco use rates

<table>

**Expected Outcome:** Educate the community on tobacco Point-of-Sale advertising

**SMART Objective for indicator:**

Describe vision to meet deliverables (below) for 2017-2019

---

**Deliverables**

1. Participate in Standardized Tobacco Assessment of Retail Settings (STARS) annual survey to collect county-level data on tobacco products and point-of-sale advertising in retail establishments.

2. Conduct youth and adult-focused presentations on how tobacco products are priced and marketed to target teens. Appropriate audiences may include youth ages 12-18 years, youth-serving organizations, internal and external partners including coalition members and lead agencies, and key decision makers in the community.

3. Provide education to the coalition regarding tobacco related Point-of-Sale strategies.
### Priority Area: Increase proportion of Hoosiers not exposed to secondhand smoke

**SMART Objective for indicator:**

---

*Describe vision to meet deliverables (below) for 2017-2019*

---

**Deliverables**

1. Conduct at least four adult-focused presentations on other tobacco products (OTP) including Electronic cigarettes/smoking devices and the importance of a comprehensive tobacco-free school district policy. Presentations could be to school teachers, staff, administration and parents.

2. If the school district does not have a comprehensive tobacco free policy including Electronic cigarettes/smoking devices, assist the school corporation in developing and passing a comprehensive policy.

*(Please review the policy lists for schools listed on the TPC website [http://www.in.gov/isdh/tpc/2333.htm](http://www.in.gov/isdh/tpc/2333.htm) for accuracy. Provide any revisions or updates.)*

**Expected Outcome:** Increase the number of housing properties that protect residents from secondhand smoke exposure

**SMART Objective for indicator:**

*Describe vision to meet deliverables (below) for 2017-2019*

**Deliverables**

1. Assist with the implementation of the smoke free policy required by the U.S. Housing and Urban Development (HUD) office by providing resources including Indiana Tobacco Quitline materials.
2. Conduct at least four presentations to the public housing authority board, other multi-unit management, or trade associations on the dangers of exposure to secondhand smoke and the importance of smoke-free policies; use the toolkits and other resources received from the smoke-free public housing trainings.
3. Implement smoke-free policies in multi-unit housing complexes (public and market rate)

*(Please refer to insmokefreehousing.com for additional information.)*
Priority Area: Decrease adult smoking rates

**Quitline (Indicator #11) - Extent of utilization of the Indiana Tobacco Quitline (ITQL) throughout the community**

**Expected Outcome:** Build a network of healthcare providers that routinely refer tobacco users to the Indiana Tobacco Quitline

Describe vision to meet deliverables (below) for 2017-2019

**Deliverables**

1. Conduct the first steps of building a tobacco control coalition.
2. Conduct face-to-face meetings or key informant interviews with a prospective coalition member or partner in order to recruit from sectors of the community not well represented on the coalition.
3. Hold regularly scheduled meetings (monthly is recommended)
4. Send thank you letter to policy makers and provide regular education on tobacco control issues

*(Please refer to “Steps to Successful Coalition Building” for additional information on identifying sectors in the community.)*
Section 4: Budget

The section describes the operation costs to continue tobacco control programming through June 30, 2019.

Forms to be completed in this section:
- Budget Worksheet Form (*Link to Excel document included*)
- Budget Narrative Form (*Link to Excel document included*)
- Scope of Work Form
- TPC Declarations Form

Attachments to be included with electronic submission:
- Audited financial statements, if applicable
- Subcontract forms for all subcontracts to be executed.
- Job Description(s)

Reminder: Provide a written Job Description for all positions funded through this grant. Submission of a resume does not replace the job description requirement.

NOTE: The submitted budget is not the final budget. The final budget, including proposed subcontracts, must be approved by the Regional Director and Contracts Administrator subsequent to the submission and approval of this application.
Description of Budget Line Items

The following line items should be included. Use the budget form provided or a similar format. Explanation of budget items must be submitted using the Budget Narrative form.

1. Personnel
   A. Salaries and Wages
      For each staff position proposed, include the title of the position, percentage of time (FTE), annual salary, number of years’ salary requested, and a summary of the job description or responsibilities. Staff position(s) paid by community- or minority-based partnership funds must be dedicated only to approved tobacco use prevention activities in the work plan. Full-time employees may not have another full-time position outside of the TPC grant. TPC does not recommend that a lead agency employ a part-time person to do tobacco control work funded by this grant that currently has another full-time position. The position requires personnel to attend mandatory activities during the day and periodically during evening hours. TPC does not take exception to an incumbent employed by the grant that works two part-time positions; part-time position is defined as 20 hours or less per week or as defined by the lead agency. Variations from strict full-time (37.5 to 40 hours/week or as defined by lead agency) or part-time assignments (20 hours or less per week, or as defined by lead agency) must be reviewed and approved on a case-by-case basis.

      Tobacco programming activities must occur during the calendar quarter for which the staff is being paid salaries and wages. Paid staff must document hours worked and summarize activities performed on a daily log. Salaries and wages paid to staff must be for hours worked in the same calendar quarter and evidenced by the daily log.

      Salary and wage increases for staff are effective only after an individual has worked toward approved plan goals for more than 12 months. A cap on annual salary increases is limited to the consumer price index – all urban consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics Data (www.bls.gov) or 3% of the current approved salary and wages, whichever percentage is less. Please apply the percentage, not to exceed the 3% limit, as applicable, by checking the year and month that corresponds with the one-year anniversary of the staff person in question. Please remember that the earliest date staff could have been actively employed is the initial term date on the grant contract. The final signature date is the date the contract is considered fully executed, the date the contract is signed by the Indiana State Attorney General’s office.

   B. Fringe Benefits
      For each position, indicate the rate and compute the amount charged for fringe benefits usually and customarily provided by the Lead Agency for employees. TPC grant funding cannot be used to provide benefits in excess of those normally and customarily offered to all employees. If the Lead Agency does not provide fringe benefits to all employees, TPC grant dollars cannot be used to provide benefits not normally and customarily offered. Please refer to the human resources department of your Lead Agency for written guidance on this budget line item.

2. Travel
   Expenditures for travel will be limited to the rate customarily paid by the agency or the current rate being paid by the State of Indiana, whichever is less. A chart summarizing the maximum reimbursement amounts from the State of Indiana’s Financial Management Circular No. 2003-1 effective January 1, 2004, is included for reference.
In-state or Out-of-state Travel
Expenses incurred to attend tobacco use prevention and cessation trainings, conferences and meetings in state are appropriate. Out-of-State travel must be pre-approved in writing by TPC. Please submit a written request to your primary contact at TPC prior to travel.

Present the following for each event: Description of the event or conference; rationale for attending (this should connect directly to the partnership’s vision and tobacco program activities); anticipated follow-up from the event after you return to the community; budget estimate (travel, lodging, meals, registration fees, other expenses.)

3. Supplies
Supplies may include: office supplies or meeting supplies, including those supplies not specifically excluded. The purchase of tobacco use prevention educational supplies should be consistent with the goals and objectives of TPC. Include a narrative justification outlining the intended use and incorporation of the supplies into the local program. **Promotional items and other similar items must be pre-approved. Submit a written request to your primary contact at TPC for consideration prior to approval.**

4. Contractual
Descriptions of contracts for program activities must be included along with budget information. Legal professional services to be secured from outside of the unit need to be secured by contract. Legal services must be pre-approved by TPC. On the budget form or on another page, describe for each contract the following information:

A. scope of work including tasks and deliverables,
B. time period of the contract,
C. person in the agency who will supervise or manage the subcontract,
D. name of the contractor or, if not yet known, what method will be used to select the contractor, e.g. bids, request for proposals, sole source, etc.
E. amount or budget for the contract,
F. process for contractor to secure payment,
G. how the contract will be supervised, managed, or otherwise monitored by the Lead Agency.

The subcontract agreement formats provided by the Tobacco Prevention and Cessation Commission should serve as a boilerplate to collect at minimum information on subcontractors. If additional space is needed to explain the details of a contract, please attach and reference these documents within the body of the subcontract. The boilerplate contract documents provided are not intended to be the sole source of information for executing a contract for goods or services, but the information requested in the boilerplate must be contained in any subcontract agreement executed.

5. Other
This category can include costs for items such as telephone, rent, copying, printing, postage, mailing, publications, and professional education costs. Rent to be paid for space exclusively reserved for tobacco prevention and cessation programming activities cannot exceed the fair market value for the space. Document how the rental expense was determined and retain this documentation in the records.

Cell phone expense paid from tobacco grant funds must be for calls to conduct tobacco prevention and cessation business. To be reimbursed for cell phone calls, the grantee must have an approved line item in the budget for cell phone expense and provide itemized billing receipts with tobacco prevention and cessation phone calls highlighted. The reimbursement can only be for the calls to conduct tobacco prevention and cessation business. No reimbursement will be issued for cell phone expenses without itemized billing for calls that can be documented for tobacco prevention and cessation activities. To pay a vendor for cell phone expenses you must have itemized billings, highlight the calls for tobacco grant programming activities and only pay for the calls that are for tobacco grant programming activities. If you contract for a flat fee for cell phone expenditures, you must still get itemized billing, highlight the calls that are for tobacco programming activities and calculate the percentage of the total expense that was incurred to conduct tobacco grant programming activities. Only charge the tobacco grant for the percentage of tobacco grant program calls applicable.
6. Furniture and Equipment
Office furniture, equipment and computer/software upgrades, are allowable, provided they are reasonable expenditures relative to the work proposed and were not purchased in a previous year. All equipment purchased with grant funds, which cost $500 or more, shall remain the property of TPC and shall not be sold or disposed of without written consent from TPC. All office furniture, equipment and computer/software upgrades purchased which cost $500 or more must be listed on a fixed assets ledger.

7. Additional Conditions
The Grantee agrees to abide by the following additional conditions:

A. That grant funds and program income shall not be expended for:
   1. Construction of buildings, building renovations;
   2. Depreciation of existing buildings or equipment;
   3. Contributions, gifts or donations
   4. Entertainment;
   5. Automobile purchases, rental and/or leases;
   6. Interest and other financial costs;
   7. Fines and penalties;
   8. Bad debts;
   9. Contingency funds;
   10. Food; and
   11. Political contributions.

B. All disbursements are required by law to be fully itemized. IC 4-10-11-1 states that “vouchers shall not be approved by any officer or officers authorized to approve the same, unless so itemized, giving minutiae of detail, and when vouchers are presented to the auditor of state for warrants, they shall be accompanied by said itemized accounts and statements.” Other state statutes requiring fully itemized state payments include the following:

   IC 5-11-10-1 Disbursements for claims
   IC 4-10-12-1 Itemized vouchers; expenditure for purpose appropriated.

Information necessary to sufficiently itemize payments range from listing specific contract program detail to providing unit costs, quantity, and descriptions for each item or service received. Adequate information must be provided to substantiate hourly billing, such as activities performed and cost per hour. If reference is made to a vendor invoice, statement, or bill, it should be attached. Blank or incomplete invoices should never be certified or paid by Grantees.

Public funds may not be used to pay for personal items or for expenses that do not relate to the functions and purposes of the tobacco grant program.

Personal long-distance calls are not allowed to be charged to the grant. Cellular phone service, which is paid for with grant funds, is for the sole benefit of the program for which grant funds have been received. Grantees have a responsibility to monitor cellular phone expenses to ensure they are not paying for airtime that is not needed. Cellular phone service is paid only via reimbursement with detailed billing.

Dues and subscriptions paid from public funds should be for institutional memberships; i.e. in the name of the organization, or grantee’s organization name, not an individual’s name.

No checks can be issued for cash to pay expenditures. Checks must be made out to the subcontractor and/or supplier.

No petty cash funds can be established.

No debit cards can be authorized or utilized on the tobacco grant bank account holding State of Indiana – Indiana State Department of Health Tobacco Prevention & Cessation funds.
Grantees must reimburse staff for travel expenditures; no advance payments without specific written permission from TPC.

Grantees are responsible for collecting any overpayment or duplicate payments made. Repayment should be sought immediately once an overpayment has been identified.

Grantees are obligated to collect, document and retain all such information necessary to certify invoices submitted for payment for goods or services received. Grantees have the duty to pay properly documented invoices in a timely fashion. With the exception of payroll expenditures for the Lead Agency employees, all contracts and other payments from the grant should be paid upon receipt of a properly documented invoice for contracts, billings or requests for reimbursement.

C. The Grantee will maintain a fixed assets ledger as prescribed in the budget explanation. If an internal tracking system exists within your Lead Agency, follow those prescribed procedures to document any equipment purchases.

D. Grantees will account for tobacco grant funds separately from other organization funds and will reconcile the tobacco grant fund account monthly. Tobacco grant funds cannot be co-mingled with other agency funds. If tobacco grant funds are deposited in an account with other funds, a separate accounting ledger must be maintained, including the proper division and crediting of interest to the various components of the account. At the end of the quarter the fund and account statement, including interest must reconcile to the quarterly fiscal reports submitted to TPC.

E. That acceptance of any services offered under this Grant Agreement shall be voluntary on the part of the individual to whom such services are offered and that acceptance of any services shall not be a prerequisite to eligibility for the receipt of any other services under the Grant Agreement.

F. That any proposed changes in the target population served under this Grant Agreement or any proposed changes in geographic location of service sites must be submitted in writing to TPC.

G. That funding is contingent upon providing individualized data files in a file structure specified by TPC. Grantee will submit said data files to TPC according to a specific schedule determined by TPC. The data provided by the Grantee will be used to perform statistical and evaluative functions, and other reporting requirements.

H. That changes in line items in the budget will be requested in writing and approved by a duly authorized representative of TPC prior to implementation.

I. That payment is contingent upon timely receipt of required client data in accordance with procedures and schedules established by TPC, a copy of which is available upon request.

J. That all income generated by grant funds shall be added to the grant fund balance in the period in which it is earned and is subject to the same requirements as the basic grant monies. All grant monies must be invested in types of investments as directed by current statute IC 5-13-9-1 thru 5. Please refer to the current statute for guidance.

K. To adopt and enforce a no tobacco policy in project facilities at all times.

- Traveler should select from one of three options when indicating per diem claims:
- All meals provided; no per diem claimed
- Some meals provided; deducting the following meals: (List all provided meals)
- No meals provided; all per diem claimed
- Travelers do not have to deduct continental breakfasts from per diem.
- Travelers do not have to deduct airplane meals from per diem. The time a traveler leaves their station determines if a meal provided via air will be reimbursed.
- When two times zones are involved on one trip, please retain a consistent time zone when reporting departure time and arrival time. It is expected that traveler leaves from and returns to the same time zone.

Hotel Rate

- Hotels may request to see State ID to verify the State Government Rate.
- The current Indiana State maximum overnight lodging rate is $89 per night.
- Taxes should be paid and reimbursed if lodging is secured using a personal credit card. Lodging transactions using the State T-Card are tax exempt.
- If a hotel informs that their government rate is more than $89 plus tax, traveler needs to find a hotel that will honor the current in-state maximum rate or contact ISDHTravels@isdh.in.gov. The traveler will be required to pay the overage above the State’s maximum allowable without prior approval.
- Some hotels confuse the Federal rate and the State rate. Ensure your hotel is using the State rate.

Mileage

- As of August 1, 2016 the state mileage reimbursement rate is $0.38 per mile (subject to change per the Indiana Department of Administration)
