## COMMUNITY INDICATORS

---

**Protect and maintain local tobacco control coalition** infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

**Protect Hoosiers from exposures to secondhand smoke by:**

- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities
- Implementing tobacco-free campus policies for hospitals, health care centers, mental health centers and clinics, and addiction treatment centers
- Working toward smoke-free policies in multi-unit housing

**Decrease adult smoking rates by:**

- Promoting the Indiana Tobacco Quitline (1-800-QUIT NOW) throughout the community
- Working with health care providers to ensure they ask, advise, and refer their patients to tobacco treatment
- Supporting employers to create healthier employees through employer supported tobacco treatment resources to their workforce

**Decrease youth smoking rates by:**

- Supporting community efforts for counter tobacco point-of-sale strategies at the local level
