## COMMUNITY INDICATORS

---

**Protect and maintain local tobacco control coalition** infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

### **Protect Hoosiers from exposures to secondhand smoke by:**

- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities
- Working toward smoke-free policies in public housing

### **Decrease adult smoking rates by:**

- Promoting the Indiana Tobacco Quitline (1-800- QUIT NOW) throughout the community
- Supporting employers to create a healthier workforce through providing tobacco employer-sponsored cessation resources to their employees

### **Decrease youth smoking rates by:**

- Supporting community efforts for counter tobacco point-of-sale strategies at the local level
