

INDIANA LAW ENFORCEMENT ACADEMY
Information Bulletin for In-service Students

Parking: All resident students are to park in the student parking lot located on the North Side of the main building of the Academy complex. Commuter students may park in either the North or South parking lots, but not in front (East) of the building. Leave your luggage, clothing and personal articles in your car until you have completed registration.

Registration: Enter the main building through the front door and go to the reception area to register then go to the Quartermaster window.

Tuition: If your course or seminar is of a tuition nature please bring cash, certified check, money order, claim voucher or personal check. Presentation of one of these methods of payment will be required when you register at Quartermaster.

Academy Security: An identification badge will be issued to you and it is to be visibly displayed at all times. (This information bulletin will serve as access authority for newly arriving students until an ID badge is issued.) You will also need to state your ID number to the monitor each time you eat in the cafeteria.

All buildings within the Academy complex are areas of controlled access. Entrance doors into the main building will be kept locked at all times except as follows: Main entrance doors will be open and monitored Monday through Friday 0700 - 2200 hours. Entry is to be through the main entrance only. In-service students may exit through either the North or South doors (adjacent to student parking lots) at the end of the training day.

In-service students have no curfew, however, after 2200 hours the ID badge must be shown to the Staff Duty Officer to gain entrance.

Any attempt to breach security by propping open doors, admitting someone to the Academy through a locked door, etc., may result in immediate dismissal from the Academy.

Dress Code: The Executive Director, through his staff, will refuse classroom/field exercise participation to any person whose dress or cleanliness reflects unfavorably upon that person's employing department, the Law Enforcement Training Board, or the staff of the Indiana Law Enforcement Academy.

Clothing worn must be clean, in good repair, and appropriate for the type of training being presented or received. Shorts, cut-offs, shirts without collars (T-shirts), and sandals are inappropriate during the normal classroom day and in the cafeteria. To avoid embarrassment we ask that you use good judgment in what you wear while at the Academy.

Firearms: No firearm of any type is to be taken into student living quarters. All students in residence will be issued a key to a gun locker for securing firearms. The gun lockers are located in the hallway just south of Quartermaster. Commuter and one-day seminar students are permitted to wear their firearm in classrooms, cafeteria and all common areas. Leaving weapons in vehicles is not recommended. (The maximum security Indiana Reception and Diagnostic Center for convicted felons, Boys' School, and Plainfield Correctional Facility are adjacent to this Academy.)

Dormitory Rooms: Students in residence are expected to maintain their assigned room in a clean and orderly condition. Dormitory rooms are subject to inspection at any time for purposes of safety, sanitation and rule violations. You may want to bring an alarm clock to assist you in arriving on time for classes and formations.

Smoking and Smokeless Tobacco: Smoking or chewing tobacco or dipping snuff is not permitted in any building on the Academy complex. Students may smoke in designated outdoor areas, but chewing and spitting are not permitted on Academy property.

Meals: (Tuition Courses) Meals served during the period of your course are included in the fee paid. You are asked to notify your course OIC if you are not going to eat so food will not be wasted.

Additional: No alcoholic beverages are permitted on Academy property except those which are used in approved, scheduled classes. Intoxication on Academy property is grounds for dismissal from training.

Gambling of any kind is forbidden.

Sexual harassment and lewd or lascivious conduct will not be tolerated.

Profane language in common areas, where it may be overheard by children and visitors will be deemed conduct unbecoming an officer.
