

INDIANA COMMUNITY-BASED SUPPORT RESOURCES

Compiled by
Grace Dickinson
ICJI Summer Intern 2017

Under the direction and partnership of
Sonya Carrico
ICJI Substance Abuse Services Division Director

Capt. Kevin J. Hobson
Deputy Commander, Special Investigations
Indiana State Police

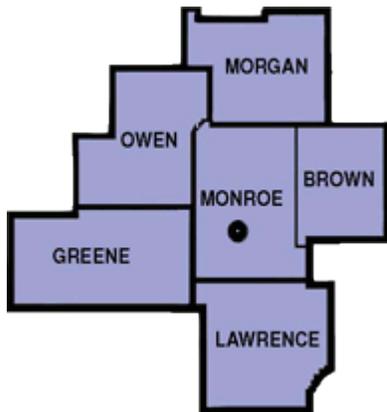

Last updated October 2017

This guide is intended to make information about community-based support services readily available to the general public. Information provided and available to the Indiana Criminal Justice Institute, including web resources, were used to make this listing as complete as possible. Check the last updated date as changes can occur at any time. Frequently-requested services in this listing are:

- Counseling services, including addiction and mental health services;
- Detox services assisting with medical withdrawal from an addictive substance;
- Healthcare, including additional behavioral health services;
- Housing, including treatment, recovery and homeless housing assistance;
- Substance abuse assistance lists a variety of addictions services; and
- Support groups, including Alcoholics Anonymous, Narcotics Anonymous and Celebrate Recovery.

Crossroad Child & Family Services Treatment Facility

About: “Today, our family directed programs focus on providing behavioral health treatment, education programs, and support services tailored to client needs and strengths. Crossroad residential programs for children and youth, ages 6 to 21, are offered on our Fort Wayne campus. Our programs include: Psychiatric Residential Treatment Facility (PRTF) Secure Intensive Treatment, Open Residential Programming, and Diagnostic Evaluation. All qualified children will be considered for our residential programs and referrals are accepted from judges, youth serving professionals, educators, counselors, parents, and others. Crossroad will accept

clients with medical challenges including, but not limited to, seizure disorders, cystic fibrosis, muscular dystrophy, diabetes, sickle cell anemia, hemophilia, cancer, and shunt placement. Children with developmental delays and learning challenges will also be considered.”

Other Services: The substance abuse treatment will be provided by outside certified treatment agencies in the community. Self-help group participation in the community is also required. Inside the home, classes in six week increments lasting 1 -2 hours per week taught by professionals from the community. Programming within Half Way Home will include classes and training that will address obtaining and retaining employment, parenting, arts and crafts, health and nutrition, physical fitness, money management, education, mindfulness, and spirituality, and other topics that will enhance and improve the overall lives of the women and assist them in remaining clean and sober

Trinity Life Ministries

LOS: 21 weeks

Phone: 765-742-1060

Other Services: Life Transformation Program is comprised of two phases: Phase I is all about learning. Phase II offers a safe and gentle start to a man's reintroduction to the world. During the 21 week program, men learn practical applications of biblical teachings as well as comprehensive life skills. The men graduating from our Life Recovery program truly become solutions to one of the world's biggest problems – sin of the heart. Our dedicated Life Transformation Coaches touch on all areas of addictive behaviors as well as help provide individualized solutions. Along with addressing issues of the heart, the curriculum expands to meet the life needs of our participants. In order for men to become solutions within their families and communities, we must ready them for the temptations and distractions of the world.

About: As a solution-focused therapist, my goal is to help you uncover your true potential and lead a life that is worth celebrating. While we can't change difficult situations of the past, we can work together to better understand and resolve challenges in your life. By applying complementary therapy approaches and techniques, we will unearth long-standing behavior patterns or negative perceptions that may be holding you back from experiencing a more fulfilling and meaningful life.
