***RE: Northern Indiana Public Service Company 30 Day Filing Pursuant to
170 IAC 1-6-1 et seq.***

Dear Ms. Howe:

In accordance with 170 IAC 1-6-1, enclosed please find Northern Indiana Public Service Company's ("NIPSCO") revisions to Rider 676 – Back-Up, Maintenance and Temporary Industrial Service Rider (First Revised Sheet No. 122). The revision impacts NIPSCO's customers participating in Rider 676 that are receiving electric service under Rates 632 and 633 of IURC Electric Service Tariff, Original Volume No. 12. The proposed revision is shown in the attached redlined tariff sheet.

Rider 676 was first approved by the Indiana Utility Regulatory Commission's December 21, 2011 Order approving the Stipulation and Settlement Agreement in Cause No. 43969 ("43969 Order"). NIPSCO proposes to revise Rider 676 to provide that for Customers requesting service in writing from "at least 30 days" to "at least 20 days" in advance of the need for Maintenance Service. NIPSCO has shared the proposed revision to Rider 676 with the Indiana Office of Utility Consumer Counselor and the NIPSCO Industrial Group, both of which agree to the revision.

170 IAC 1-6-3(3) states that changes to rules and regulations are an allowable type of filing and the proposed revisions are changes to the operating rules of Rider 676. Thus, this filing is an allowable request under 170 IAC 1-6-3. This filing does not require confidential treatment nor does it seek any other relief identified in 170 IAC 1-6-4, so it is not prohibited under the Commission's Rule.

In accordance with 170 IAC 1-6-5(2), contact information for the utility regarding this filing is:
