Commission to Issue Order on BlueIndy Project

What: The Indiana Utility Regulatory Commission (Commission) will issue its order in Cause No. 44478, a petition from Indianapolis Power and Light for an alternative regulatory plan for the extension of distribution and service lines and installation of facilities associated with the BlueIndy electric vehicle sharing program.

When: Wednesday, Feb. 11, 2015, at 2 p.m.

Where: IURC Conference Center, 101 W. Washington St., Room 222, Indianapolis, IN 46204.

Instructions to Media: Members of the media may have access to the conference center beginning at 1:30 p.m. Commissioners will not be available for interviews. The Commission's spokesperson, Executive Director of External Affairs Chetrice Mosley, will be available for questions immediately after Conference in the library adjacent to room 222. Copies of the Commission's order will be available after Conference. A news release will be available to attendees and also will be distributed electronically after the issuance of the Commission's order.

About the Indiana Utility Regulatory Commission (IURC)

The IURC is a fact-finding body that hears evidence in cases filed before it and makes decisions based on the evidence presented in those cases. An advocate of neither the public nor the utilities, the IURC is required by state statute to make decisions that balance the interests of all parties to ensure the utilities provide safe and reliable service at just and reasonable rates. For more information, please visit www.in.gov/iurc.
