

## Indiana IRP Stakeholder Survey

In an effort to continually improve the Integrated Resource Plan (IRP) stakeholder engagement process in Indiana, the investor owned utilities seek your input.

Duke Energy Indiana, Indiana & Michigan Power, Indianapolis Power & Light Company, and Northern Indiana Public Service Company, and Vectren staff have discussed potential efficiencies of conducting joint stakeholder education session(s) in Q1 2016.

1. Would joint stakeholder education sessions would be helpful to you? Yes or No
  
2. Please indicate which topics interest you. (select all that apply)
  - Common IRP process
  - Load forecasting methods
  - Scenario development criteria
  - Demand Side Management (DSM) modeling
  - Sensitivity Analysis
  - Supply side options
  - Demand side options
  - Other \_\_\_\_\_
  - I'm not interested
  
3. Please share preferred location(s) for a potential meeting and method of remote accessibility such as teleconference, webcast, etc.

(Optional)
