Dear Mr. Davies,

Pursuant to the provisions of IC 4-22-2-22.8, the Office of Management and Budget and State Budget Agency have reviewed the proposed rule that amends 170 IAC 4-4.3 to update definitions and customer-facility performance standards, and to incorporate energy storage systems or technologies (OMB #2025-12R), which you originally submitted on April 1, 2025. After reviewing the revised proposed rule, the recommendation of OMB and SBA is that the rule changes be approved. IURC is authorized to commence the public comment period(s).

Furthermore, if you revise the proposed rule after this approval, you must resubmit the rule to OMB and obtain a new approval pursuant to IC 4-22-2-22.8(e).

IURC may proceed with the OMB-approved version of the rule proposed in its submission.
