Filing Party: Duke Energy Indiana, LLC

30-Day Filing ID No.: 50226

Date Filed: October 1, 2018

Filed Pursuant to: 170 IAC 1-6.

Request: In this filing, Duke Energy Indiana, LLC (“DEI”) is seeking authorization to offer Rate LED, an unmetered outdoor lighting program. Rate LED is aligned with DEI’s current lighting strategy and is intended to offer customers standard and prescriptive pricing for a suite of modern, efficient LED lighting solutions. However, DEI intends to continue use of its Rate UOLS as a complement to Rate LED because it is necessary to also provide customers with unbundled pricing needs at individualized and formulaic prices. As a result, DEI is proposing to charge the same energy rate price for both Rate LED and Rate UOLS.

Customer Impact: Under Rate LED, customers will be responsible for paying a volumetric Energy charge and fixed monthly charges for the lighting Fixtures, Poles, and Maintenance. Each of DEI’s proposed rate components under Rate LED can be found below.
