The following thirty-day filings have been submitted to the Commission. Each item was reviewed by the appropriate Commission Technical Divisions and all regulations were met in accordance with 170 IAC 1-6 Thirty-Day Administrative Filing Procedures and Guidelines. Filing Party: United Telephone Company of Indiana, Inc., d/b/a CenturyLink (“United”)

30-Day Filing ID No.: 50302 (request for final approval)

Date Filed: October 31, 2019; amended on November 7.

Filed Pursuant To: 170 IAC 1-6; and the FCC’s 2016 Further Report and Order (“Lifeline Order”).¹

Request: Filing # 50302, a Lifeline tariff update to reduce the subscriber credit for voice-only Lifeline subscribers and to establish a monthly credit for qualifying broadband-only Lifeline subscribers and subscribers to voice-broadband bundles, in compliance with FCC requirements, received temporary approval at the IURC conference on November 27, 2019, pursuant to IC 8-1-2-113 and as permitted under IC 8-1-2-42(a) and 170 IAC 1-6. The underlying tariff changes went into effect on December 1. With the instant request, Staff is seeking final approval for CenturyLink’s Lifeline tariff update, as originally filed on October 31.

Retail Customer Impact: Some Lifeline voice-only subscribers might see a small increase in their monthly rates for local exchange service, due to the lower discount. However, given that the Commission does not have jurisdiction over local exchange rates, due to the passage of House Enrolled Act 1279 in 2006, it is up to the retail local exchange carrier serving a particular subscriber whether to increase or decrease that subscriber’s rates (and by how much), or to keep rates at the current level.

Tariff Page(s) Affected: Tariff I.U.R.C. No. T-6 –Sheets 1, 2, 3, & 4.

Staff Recommendations: Requirements in 170 IAC 1-6 and IC 8-1-2-42(a) were met. FCC requirements were also met. Staff recommends final approval.
