Director, Energy Division

Filing Party: Ohio Valley Gas Corporation and Ohio Valley Gas, Inc. (‘‘OVG’’)
30-Day Filing ID No.: 50260
Date Filed: March 26, 2019
Filed Pursuant To: 170 IAC 1-6

Request: OVG is requesting approval to amend their tariff relating to the return of non-residential customers’ deposits and simplifying their practice for crediting interest on said deposits.

The change requested allows OVG the flexibility, at its discretion, to return a non-residential customer’s deposit even while that customer remains a customer. This does not alter any requirements relating to the return of customer deposits for departing customers. It also allows OVG to automatically credit monthly interest earned on deposits rather than at customers’ request.

Customer Impact: OVG’s proposed changes impact non-residential customers return of deposits and earned interest on deposits.

Staff Recommendations: OVG has met all requirements for its request. Staff recommends approval of the modified language.
