MEMORANDUM

TO: Commission Chairman James F. Huston
Commissioners Bennett, Freeman, Veleta and Ziegner

FROM: Commission Technical Divisions

DATE: April 4, 2025

RE: 30-Day Utility Articles for Conference on *Wednesday, April 9, 2025 @ 10:00 a.m.*

The following thirty-day filings have been submitted to the Commission. Each item was reviewed by the appropriate Commission Technical Divisions and all regulations were met in accordance with 170 IAC 1-6 Thirty-Day Administrative Filing Procedures and Guidelines. Therefore, the following filings listed below and attached hereto are recommended to be considered by the Commission at the next conference:

Attachment Number	30-Day Filing No.	Name of Utility Company	Type of Request	Date Received
1	50808	Frontier North Inc.	Increases to monthly recurring rates for Special Access - Voiceband and High Capacity Digital DS1 Facilities.	2/11/2025

Submitted By: Pam Taber
Director, Communications Division

Filing Party: **Frontier North, Inc., and Frontier Midstates, Inc. (collectively, “Frontier”)**

30-Day Filing ID No.: 50808

Date Filed: February 11, 2025. (These tariff changes became effective March 15 as requested by Frontier. In the absence of this request, the changes would have become effective upon filing. *See*, Ind. Code 8-1-32.5-11(c)) & the Final Order in Cause No. 45733 (Order issued Sept. 14, 2022.)

Filed Pursuant To: 170 IAC 1-6 and IURC Cause Nos. 45733 & 44004.

Request: Frontier is requesting approval of an increase in monthly recurring rates for intrastate special access – Voiceband and High Capacity Digital DS1 facilities. This is a stand-alone intrastate (IURC) access tariff filing that does not mirror, concur in, or adopt any interstate (FCC) access tariff.

Retail Customer Impact: Frontier’s intrastate special access services are not offered to the general public or to any residential customers.

Tariff Page(s) Affected: Frontier North Inc., Tariff I.U.R.C. No. T-4 (“Facilities for Intrastate Access”): Section 5, Sheets 4 & 6.

Staff Recommendations: Requirements in 170 IAC 1-6 and in IURC Cause Nos. 45733 & 44004 were met. Pursuant to IC 8-1-88.6, and as affirmed in Cause No. 45733, the Commission must review the tariff to determine its reasonableness. After performing such a review, **Staff** believes the requested relief to be reasonable and **recommends approval of the tariff submitted as 30-Day Filing # 50808.** The approval date will be the date of the IURC conference at which this 30-day filing is approved through the Utility Articles process.
