RE: Thirty Day Filing for Vectren North Pursuant to Cause No. 45032 – REVISED 50170

Dear Ms. Becerra:

This revised filing is being made on behalf of Indiana Gas Company, Inc. d/b/a Vectren Energy Delivery of Indiana, Inc. (“Vectren North” or “the Company”) under the Commission’s Thirty-Day Administrative Filing Procedures and Guidelines (“Guidelines”), in accordance with the Indiana Utility Regulatory Commission’s (the “Commission”) February 16, 2018 Order in Cause No. 45032 (“Tax Reform Order”), to request approval of the following modifications to the Vectren North Tariff for Gas Service to adjust base rates for the reduction in the Federal Income Tax Rate:

1. Rate 210 – Residential Sales Service (Sheet No. 10, Page 1)
2. Rate 220 – General Sales Service (Sheet No. 12, Page 1)
3. Rate 225 – School/Government Transportation Service (Sheet No. 13, Page 1)
4. Rate 240 – Interruptible Sales Service (Sheet No. 15, Page 1)
5. Rate 245 – Large General Transportation Service (Sheet No. 16, Page 1)
6. Rate 260 – Large Volume Transportation Service (Sheet No. 17, Page 1)

Vectren North has summarized its proposal with the Attachment to this request. In addition, Vectren North has included support for its calculations as exhibits, summarized as follows:

- Attachment 1 – summary of Vectren’s proposal related to Vectren North and Southern Indiana Gas and Electric Company d/b/a Vectren Energy Delivery of Indiana (Vectren South-Electric and Vectren South-Gas).
- Exhibit A – proposed adjusted base rates and charges, reflecting the reduction in the federal income tax rate.
- Exhibit B – calculation of the required reduction to revenue as a result of the reduction in the federal income tax rate. Information per Cause No. 43298, Vectren North’s most recent gas base rate case.
- Exhibit C – calculation of the required rate reduction as a result of the change in the federal income tax rate. Information per Cause No. 43298.
- Exhibit D – Redline of current Vectren North Gas Tariff.
- Exhibit E – Clean version of proposed Vectren North Gas Tariff.
This filing is an allowable request under the Guidelines because it is a filing required to be submitted by the Commission in the Tax Reform Order. See 170 IAC 1-6-3(8).

Vectren North affirms that a notice regarding the filing in the form attached hereto was published on March 29, 2018 in the Indianapolis Star, a newspaper of general circulation in the Indianapolis metro area, where the largest number of Vectren North’s customers is located. Vectren North also affirms that the notice has been posted on its website. Vectren North does not have a local customer service office in which to post the notice.

Introduction

The Commission has initiated this investigation for the purpose of determining customer rate impacts arising from the Tax Act and to establish an expedient process to reflect such impacts in customer rates. At the same time, the Commission has acknowledged the potential differences between specific utility rates and circumstances, as well as the presence of more complicated tax issues, some of which may require use of a subdocket proceeding with evidence, or use of a second phase proceeding to allow submission of evidence and additional time to fully consider such issues.

As a first step, the Commission has required all Respondents to file tariffs reflecting the impact of the Tax Act on base rates as a result of the reduction in the federal income tax rate from 35% to 21%. Such tariffs are to be presented, at least initially, in a Thirty-Day Administrative filing submitted on March 25 (or the next business day being the 26th).¹

The Vectren Utilities’ Filing

The Vectren Utilities have reviewed the impacts of the Tax Act on both base rates and on excess accumulated deferred income taxes (“Excess Deferred Taxes”) and are prepared to resolve all tax issues within these proceedings. The Vectren Utilities’ Thirty Day filing, made separately for each individual utility, proposes rate changes to accomplish the flow back of tax benefits to customers in a reasonable manner that can commence in the near term. In addition, the Vectren Utilities propose a subdocket proceeding to establish a reasonable method for providing the benefits related to Excess Deferred Taxes over an appropriate period.

Beginning January 1, 2018, the Vectren Utilities have accrued the impact of the Tax Act on base rates. The flow back of this accrued amount will be addressed within the subdocket proceeding.

A. Base Rate Reduction.

The Vectren Utilities have followed the principle that all customers should benefit from the reduction of the federal tax rate as provided for in the Tax Act. Consistent with the Cost of Service study completed and approved for Vectren South-Electric within its last base rate case, the reduction in federal income tax expense has been allocated to each individual Rate Schedule using the percentage of taxable income within the Cost of Service Study. Schedules supporting this calculation are included within the thirty-day filing.

¹ Utility Rates are set based on evidence and after opportunity for a hearing. To assure due process, consistency and fairness, this ratemaking requirement should apply in all rate change contexts. However, in this limited circumstance given the universal tax decrease and shared interest in providing benefits to customers, the Vectren Utilities are amenable to proceeding using the expedited framework provided by the Commission, as further discussed herein.
In Vectren North’s last base rate case proceeding, Cause No. 43298, a Stipulation and Settlement Agreement entered into by Vectren North and other intervening parties specifically required that the agreed upon increase in non-tracker revenue be allocated on an “across-the-board basis.” As such, Vectren North does not have an approved Cost of Service Study that can be used to determine the taxable income allocation. The schedules presented for Vectren North reflect an across-the-board allocation of the reduction in federal income tax expense, to be consistent with the Order in Cause No. 43298.

In Vectren South-Gas’s last base rate case proceeding, Cause No. 43112, a Stipulation and Settlement Agreement entered into by Vectren South-Gas and other intervening parties specifically required that the agreed upon increase in non-tracker revenue be allocated on an “approximate across-the-board, gross margin basis.” As such, Vectren South-Gas does not have an approved Cost of Service Study that can be used to determine the taxable income allocation. The schedules presented for Vectren South-Gas reflect an across-the-board allocation of the reduction in federal income tax expense, to be consistent with the Order in Cause No. 43112.

Each of the Vectren Utilities, at the time of the last base rate case, served one or more large customers per the terms of Commission approved special contracts. Within each respective Cost of Service Study, these customers were excluded from the allocation of costs, with the total special contract revenues credited against the overall cost of service-defined revenue requirement for each rate schedule. This treatment was also utilized in Vectren North and Vectren South-Gas’s approved Stipulation and Settlement Agreement. As a result of the special contract arrangement and treatment within the Cost of Service Study, these customers would not receive a change in their respective contract rates; however, as part of the negotiated contract rate, it is understood that these customers paid a respective share of the Vectren Utilities’ federal income tax expense.

The Vectren Utilities propose that the reductions in the rates and charges as a result of the Tax Act should also apply to these special contract customers. As such, the allocated reductions assigned to each Rate Schedule are offset by the amount of the Tax Act reductions attributed to the special contract customers, allocated based on the rate case margin (revenue less gas or fuel costs) from the last base rate case. The Vectren Utilities have calculated these special contract reductions by maintaining the currently approved contract discount off of the applicable tariff rate. In this manner all customers benefit from the Tax Act; absent such an equitable approach the contract customers would essentially lose some or all of the benefit of their negotiated rate reduction. There is no reasonable basis to exclude them from this refund.

Finally, each of the Vectren Utilities has rates and charges designed in various ways to recover the cost of service from each Rate Schedule. Income Taxes are not specifically identified as a component assigned to any particular charge. The Vectren Utilities have designed the reductions to the rates and charges as a result of the Tax Act to mirror how current base rates recover the revenue requirement. For example, a Rate Schedule that would have 25% of its revenue requirement recovered in an energy or throughput charge and 75% recovered in a demand charge would have its allocated share of the Tax Act reductions reflected in rates in this same 25% / 75% ratio.

2 Order in Cause No. 43298 (February 13, 2008), page 9, Paragraph A.

3 Order in Cause No. 43112 (August 1, 2007), page 16, Paragraph A.
The Vectren Utilities note that these assumptions and impacts reflect changes to revenue requirements approved in each of the respective rate cases, some as far back as August 2007. Many factors have changed in the operation of the Vectren Utilities since these rates were approved. The approach utilized to reflect the reductions to currently approved rates is based upon the information in place at the time of the original Orders, and Vectren expects that adjustments to these assumptions will be necessary within each utility’s next base rate case proceeding.

B. Other Non-Base Rate Mechanisms.

In addition to the base rates and charges, each of the Vectren Utilities has currently approved adjustment mechanisms which are also impacted by the Tax Act. As an example, for Vectren South-Gas and Vectren North, the currently approved Compliance and System Improvement Adjustment (“CSIA”) includes a pre-tax rate of return which is based on a 35% federal income tax rate. The Vectren Utilities propose to address these changes in each individual mechanism filing, ensuring that any future projected recoverable costs impacted by the Tax Act are adjusted and any variances attributed to the Tax Act effective January 1, 2018 be included for reconciliation in each individual mechanism. For those that are not affected, the Vectren Utilities commit to state definitively in the next mechanism filing that it has evaluated the impacts of the Tax Act on the mechanism and determined that no adjustments are required.

Conclusion

The Vectren Utilities have proposed reasonable approaches to the flow through of Tax Act benefits to customers, using an expedited approach. The Vectren Utilities have worked with the various parties to address issues regarding the treatment of Excess Deferred Taxes and the accrued liability starting January 1, 2018, and will address this proposal as part of its subdocket proceeding.
LEGAL NOTICE

Notice is hereby given that on March 26, 2018, Indiana Gas Company, Inc. d/b/a Vectren Energy Delivery of Indiana, Inc. (“Vectren North”) will file, in accordance with the Indiana Utility Regulatory Commission’s (the “Commission”) February 16, 2018 Order in Cause No. 45032, a request for approval to modify Vectren North Tariff for Gas Service to (1) adjust base rates for the reduction in the Federal Income Tax Rate, and (2) include in applicable Adjustments Appendix L – Excess Deferred Tax Adjustment (“EDTA”). Customers served under the following Rate Schedules will be subject to adjustments to approved rates: Rate 210 – Residential Sales Service, Rate 220 – General Sales Service, Rate 225 – School/Government Transportation Service, Rate 240 – Interruptible Sales Service, Rate 245 – Large General Transportation Service, and Rate 260 – Large Volume Transportation Service.

Vectren North anticipates approval of the filing in May 2018, but no sooner than 30 days after receipt of the filing by the Commission. Objections to the filing should be made in writing addressed to:
