**Filing Party:** Duke Energy Indiana, LLC (“DEI”)

**30-Day Filing ID No.:** 50605

**Date Filed:** October 26, 2022

**Filed Pursuant To:** 170 IAC 1-6

**Request:** In this filing, DEI is seeking authorization to update RATE LED UNMETERED OUTDOOR LIGHTING SERVICE and proposes changes to two service agreements related to Rider No. 42:

- 1) “Outdoor Lighting – LED Service Agreement” updates new product offerings and pricing which reflects current material, labor hours per product, and labor costs. It provides the charges per kWh as well as notice of future annual pricing updates for supporting lighting equipment, fixtures, and poles.
- 2) “Outdoor Lighting – LED Service Agreement” (Energy Efficiency Program) Exhibit C updates and clarifies “Supplementary Terms and Conditions” and “Attachment 1 to Exhibit C” regarding certain rebates and incentives included in the Non-Residential Energy Efficiency Smart Saver Program.

**Customer Impact:** Under Rate LED, customers will be responsible for paying a volumetric Energy charge (which remains unchanged since the 50369 Filing) and fixed monthly charges for the lighting Equipment (Fixtures, Brackets, and Wiring), Poles and Pole Foundations, and Maintenance.

**Tariff Page(s) Affected:** IURC No. 15, Second Revised Sheet No. 42 and First Revised Exhibit C.

**Staff Recommendations:** After reviewing DEI’s filing, Staff believes the requirements in 170 IAC 1-6 have been met. Therefore, Staff recommends approving the adjusted rates and the proposed service agreement revisions to Rider No 42, Rate LED UNMETERED OUTDOOR LIGHTING SERVICE and Service Agreement C.
