Comingore, and Excel Air Services Owner John Sjaardema.

Upon calling the meeting to order at 6:30 p.m. central time, Mr. David W. Pettet led the JCAA in the Pledge of Allegiance before Mr. Yallaly motioned to approve the minutes of the JCAA's August 1st, 2018 regular meeting and executive session, seconded by Mr. Mushett, and approved unanimously by the JCAA Board.

For public participation, Mr. Sjaardema discussed how happy Excel Air Services was to be located at Jasper County Airport.

Mr. Seif presented the manager's report. Items discussed include suggestion that the board adopt commercial hangar lease rate structure of:

- 0-250 square feet @ \$0.55/sqft/mo
- 251-5000 square feet @ \$0.27/sqft/mo
- 5001+ square feet @ \$0.10/sqft/mo

Mr. Seif discussed a potential commercial tenant's (A & E Engine Overhaul and Maintenance) interest in relocating to the airport. Mr. Seif discussed the federal government's System for Award Management (SAM) and asked the board to continue to approve JCAA Secretary/Treasurer W. Craig Jackson as SAM administrator on behalf of the airport. After Mr. Mushett's motion, second by Mr. Yallaly, the JCAA board voted unanimously to continue with Mr. Jackson as the airport's approved SAM account administrator.

Mr. Seif asked the JCAA board to consider allowing ACH Direct Deposit for payroll since the airport's bank account with Lafayette Bank and Trust would allow 2 approved JCAA board check signers the ability to approve each ACH. Mr. Seif would be able to set up the ACH, but would not have the authority or the ability to approve the ACH, requiring the approval of 2 of the 3 current approved check-signing board members, keeping with the airport's current adopted internal controls segregation of duties. After brief discussion, motion by Mr. Yallaly, second by Mr. Mushett, the JCAA board voted unanimously to approve ACH Direct Deposit as a payroll option.

**REGULAR MEETING OF THE JASPER COUNTY AIRPORT AUTHORITY BOARD**  
**October 3, 2018**

The Jasper County Airport Authority Board (JCAA) met on October 3, 2018, at 6:30 p.m. Central time at Jasper County Airport, 2326 West Clark Street, Rensselaer, Indiana, 47978. Forming a quorum were JCAA President David W. Pettet, JCAA Vice President Sean M. Yallaly, JCAA Secretary/Treasurer W. Craig Jackson, and JCAA member Allen P. Mushett. Also in attendance were Airport Manager Ray Seif, JCAA Attorney Richard F. Comingore, and Airport Engineer, Ken Ross, P.E.

Mr. Seif discussed potential modification to the new 9-unit hangar to make the space more appealing to potential commercial operators. Mr. Seif suggested that since the airport contributed to Excel air's modification and improvement of their leased space at 50% since the modification was mutually beneficial, that the board also consider a 50% contribution toward potential modification of the proposed space including insulating and installing heat. The commercial tenant signing a standard airport 5 year lease would contribute the other 50%.

Mr. Seif discussed the airport's participation government surplus program GSA Excess and needing to reapply since the airport has had a board president change since the last application. After Mr. Yallaly's motion, second by Mr. Jackson, the board voted unanimously to approve reapplying for a GSA account.

The proposed 50% discounted rate would be subject to a maximum of 30 consecutive days and would be for overflow on aircraft being actively serviced by the MRO. The discount rate would be subject to being bumped in favor of a full paying customer. If the MRO wants to guard against being bumped in favor of a full paying customer, the MRO could pay full rate at the time of rental. After discussion, Mr. Jackson's motion, and second by Mr. Yallaly, the board voted unanimously to allow MRO tenants an overflow discount on empty hangars subject to 30 day maximum and priority given to full rate paying customers.

Mr. Seif presented a lease for Von's Aircraft Service who wish to move from their current storage rental into a hangar located in the SW corner of the 6 bay hangar building. Mr. Seif asked the board for approval to purchase airport maintenance equipment (ladder, cordless drill, chainsaw, paper shredder, and binoculars) and equipment for the terminal that corporate pilots have been asking for (ice maker, microwave, and mini fridge). After Mr. Yallaly's motion, second by Mr. Jackson, the board voted unanimously to approve the purchasing of stated equipment for the terminal and airport maintenance.

Mr. Seif suggested discussing and establishing a development corridor with airport engineer Ken Ross. The corridor can be communicated with surrounding property owners to establish dialogue about the potential to acquire land needed to support future airport development.
