VOLUME III

Introduction

Volume III of the Indiana Judicial Report contains financial data on the expenditures of Indiana's courts and the revenues generated through their operation. The financial information is compiled on a calendar year basis.

The courts of record are funded primarily through county funds. State funds pay for all of the judges' salaries and for senior judge and some special judge expenses. The counties may receive matching state funds for reimbursement for approved pauper defense services and for GAL/CASA services for abused and neglected children. Courts often receive grants and generate user fees that are expended on court services. All such expenditures, regardless of their source, are reflected in this report. In some instances, courts maintain separate budgets for probation services, juvenile services and pauper defense services. These expenses have been included in the totals. This report does not include expenses which are not directly related to the courts' operations, such as the prosecuting attorney's office and the clerk's office.

Revenues are generated primarily from filing fees, court costs, fines, and user fees assessed to the litigants. The revenues are disbursed to either the state, county, or local general fund or to a specific list of specific funds established by the Legislature for specific programs and services.

This report also included various types of information concerning the funds collected by court reporters for preparation of transcripts for hearings and depositions. A brief description of the categories is as follows:

1. **Hearing:** Is a transcript of any official court proceeding.
2. **Deposition:** Is a transcript of a deposition taken in either a civil or criminal proceeding.
3. **County Indigent:** Are transcripts which are provided to individuals who have been declared indigent by a court in a criminal proceeding.
4. **State Indigent:** Are transcripts which are provided to individuals who have been declared indigent by a court in a criminal proceeding and which are paid for with monies from the State of Indiana.
5. **Other Government:** Are transcripts which are provided in either a civil or criminal proceeding to any other government entities, including but not limited to the prosecutor and Indiana Attorney General's Office, and are paid for with monies from a government agency (state, county, or local).
6. **Private:** Are transcripts which are provided in either a civil or criminal proceeding which are paid for by a non-governmental entity, i.e., a private individual, organization, corporation, etc.
7. **Other:** Transcripts which do not fit one of the previous definitions.
