APPOINTMENT OF SPECIAL JUDGES

- A. **Selection of Administrative Judge.** On or before November 1st of each year, (or as soon thereafter as possible) the Judges of the Circuit and Superior Courts of Harrison County shall meet in person or electronically with the presiding judges of the Administrative District 24 for the purpose of selecting a judge who is designated as the Administrative Judge. The Administrative Judge shall serve for a period of twelve (12) months, ending December 31, or until a replacement is selected after December 31.
- B. **Section H Appointments.** In the event it becomes necessary to appoint a special judge under Section H of Trial Rule 79 of the Indiana Rules of Trial Procedure or Indiana Rules of Criminal Procedure, the judge on the case shall send notice of the need of the appointment of a special judge to the District's administrative judge who shall then make such assignment within five (5) days of receiving said notice.
- C. **Method of Assignment.** The District's administrative judge shall select special judges from a roster of the available judges in the Administrative District. The assignments shall take into account the number of appointments required for each Court and the fact that current rules require that Special Judges in Criminal Cases serve in a contiguous county. The administrative judge shall maintain a record of all assignments and shall issue a summary report of the assignments on a quarterly basis.
- D. **Special Considerations.** If the Administrative Judge determines that newly selected Judges would benefit from a policy of "exchanging" cases to avoid excessive travel to multiple courts, assignments may be based upon these special temporary circumstances.
- E. **Roster of Available Judges.** The roster of available judges in Administrative District 24 shall include the following judges:
Judge of the Harrison Superior Court
Judge of the Crawford Circuit Court
Judge of the Harrison Circuit Court
Judge of the Orange Circuit Court
Judge of the Orange Superior Court
Judge of the Washington Circuit Court
Judge of the Washington Superior Court
Senior Judges approved for the requesting Court (s).
- F. **Appointment Order.** Upon selecting a special judge, the administrative judge shall prepare an Order of Appointment and forward said Order to the judge before whom the case is pending who shall then sign and enter the Order of Appointment and forward a copy of the Order to the special judge and the attorneys of record.

G. Acceptance of Jurisdiction. The Order of Appointment, when entered by the judge before whom the case is pending, shall constitute acceptance of jurisdiction by the appointed special judge unless the judge is otherwise disqualified, and no special appearance, oath or additional evidence of acceptance shall be required. When one of the sitting Judges of District 24 accepts appointment as Special Judge through a different selection method, such as Supreme Court Appointment, stipulation by parties, or by striking, that Judge may ask the Appointing Judge to add these appointments to the record for assignments and consider such service in making additional appointments.

H. Form of Order. The Order of Appointment shall be in the following form:

J. Certification to Supreme Court. If, under the provisions of this rule, no judge is eligible to serve as a special judge in a case, the assignment judge shall notify the judge before whom the case is pending who shall then certify such fact to the Indiana Supreme Court for the appointment of a special Judge.

If the Judge before whom the case is pending is of the opinion that the particular circumstances of a case warrants selection of a special judge by the Indiana Supreme Court, said judge shall certify such facts to the Indiana Supreme Court for the appointment of a special Judge. Under such circumstance this Rule shall not be implemented unless the Indiana Supreme Court declines to appoint a special Judge.
