LR52-CR2.2-2
ASSIGNMENT OF SPECIAL JUDGES IN CRIMINAL CASES

If a change of judge is granted because of a conflict of interest or pursuant to Rule 12 of the Indiana Rules of Criminal Procedure, the case shall first be assigned to a judge of one of the other two Miami County Courts who does not have a conflict of interest. If none of the judges of the Courts of Miami County can preside over a case that was originally filed in the Miami Circuit Court, that case shall be first assigned to the sitting Judge of Howard Superior Court II. If that judge is unable to accept the case, the case shall be assigned to the sitting Judge of Cass Superior Court I. If none of the judges of the Courts of Miami County can preside over a case that was originally filed in the Miami Superior Court I or the Miami Superior Court II, that case shall be assigned to the sitting Judge of Cass Superior Court I. If that judge is unable to accept the case, the case shall be assigned to the sitting Judge of the Howard Superior Court II.

If the Clerk is unable to assign a special judge from the judges listed above, then the Clerk shall select a judge on a rotating basis from a list of the other Judges within the counties of Cass, Fulton, and Howard in District 8 or the contiguous counties of Wabash or Grant.

If no judicial officer within the above list is eligible to serve as special judge, or if the case's circumstances warrant selection of a special judge by the Indiana Supreme Court, the judge of the court in which the case is pending shall certify the matter to the Indiana Supreme Court to appoint a special judge.

MIAMI COUNTY CRIMINAL DISCOVERY RULES

The Courts now order that the parties engage in mutual discovery without the necessity of further motion or directive as follows:

1. The State shall disclose to the defense the following material and information within its possession or control on or before 14 days following the entry of a plea of not guilty.
 - a) The names and last known addresses of persons whom the State may call as witnesses, together with (1) their relevant written or recorded statements, (2) memoranda containing substantially verbatim reports of their oral statements (if any memoranda exist), (3) memoranda reporting or summarizing oral statements (if such memoranda exist), (4) a brief statement, normally not to exceed ten words, indicating the nature of each witness' involvement in the case; such statement may be no more than a reference to statements described in paragraphs 1(a)(1), (2), or (3) above.
 - b) Any written or recorded statements and the substance of any oral statements made by the accused or by a co-defendant, and a list of witnesses to the making and acknowledgment of such statements.
 - c) A transcript of those portions of grand jury minutes containing testimony of persons whom the prosecuting attorney may call as witnesses at the hearing or trial, as designated by the defense after listening to the recording of the testimony.
 - d) Any reports or statements of experts, made in connection with the particular case, including results of physical or mental examinations and of scientific tests, experiments or comparisons.
 - e) Any books, papers, documents, photographs or tangible objects which the prosecuting attorney intends to use in the hearing or trial or which were obtained from or belong to the accused, together with the location of such items and an indication of appropriate means for defense counsel's examination of same. Under circumstances where chain of custody issues are readily apparent, such as drug cases, such chain shall be provided to the extent available on the disclosure date provided above and shall be supplemented (1) upon defendant's written request, (2) by pre-trial conference, and (3) thereafter as ordered to complete such chain.
 - f) Any record or prior criminal convictions that may be used for impeachment of the persons whom the State intends to call as witnesses at the hearing or trial.
 - g) A copy of any written agreement and the complete substance of any oral agreement made by the State with (1) any witnesses to secure their testimony or (2) any co-defendant or other person charged arising out of the same incident.
 - h) Any evidence that tends to negate the guilt of the accused as to the crime charged or tends to reduce the class of the act alleged or which would tend to mitigate his punishment.

2.
 - a) The State shall perform these obligations in any manner mutually agreeable to the Prosecutor's Office and to defense counsel. The State shall provide legible copies of statements described in paragraphs 1(a), (b), (c), and (g) as well as transcripts of any audio or videotape recorded statement or a copy of the audio or videotape. Other items shall be provided for examination, testing, copying, photographing, or other proper use either by agreement or at specified reasonable times and places. Defense counsel shall provide reasonable notice of such examination and shall schedule these examinations in cooperation with the State.
 - b) The State shall make a record of compliance with this order not more than five (5) days after the date set out in paragraph 1 above by filing with the Court: (1) its witness list together with the statement described in 1(a)(4); (2) a suitable description of memoranda and items provided, but not necessarily by providing copies of all such items to the Court; and (3) an indication of arrangements made for inspection.
3. The defense shall disclose the State the following material and information within its possession or control on or before fourteen (14) days following the date that the State has provided to the defense the information required under this order.
 - a) The names and address of persons whom the defendant may call as witnesses along with (1) a summary of their testimony similar to that described in 1(a)(4), (2) record of prior criminal convictions, and (3) the relationship, if any, of the witness to defendant or any co-defendant.
 - b) Any books, papers, documents, photographs, or tangible objects that are intended to be used at a hearing or trial.
 - c) Any reports or statements of experts, made in connection with the particular case, including results of physical or mental examinations and of scientific tests, experiments or comparisons insofar as permitted by law.
 - d) A statement of defenses, procedural or substantive, the defendant intends to make at a hearing or trial. Such a statement shall not limit defendant's right to file any defense defined by statute, such as alibi, insanity, etc., where a specific timetable for notice to the State is statutorily described.
4.
 - a) The defendant shall perform these obligations in any manner mutually agreeable to the Prosecutor's Office and to defense counsel. Defense shall provide opportunities for examination in a fashion similar to the State's obligations described in 2(a).
 - b) The defense shall make a record of compliance with this order not more than five (5) days after the date set out in paragraph 3 above by filing with the Court: (1) its witness list together with the statement described in 3(a)(1); (b) a suitable description of items provided for examination, etc.; and (c) the statement of defense described in 3(d).

5. The Court anticipates that compliance will be deemed satisfactory unless failure to comply is brought to the Court's attention by Motion to Compel. Sanctions for failure of compliance or violations of orders on Motion to Compel shall be pursuant to Trial Rule 37.
6. Nothing herein shall limit any party's right to seek protective orders to avoid destruction or other loss of evidence, or to seek deposition at such times as they may desire.
7. The Court may deny disclosure upon showing of:
 - a) A substantial risk to any person of physical harm, intimidation, bribery, economic reprisals, or unnecessary annoyance or embarrassment resulting from such disclosure that outweighs any usefulness of the disclosure to counsel.
 - b) Where there is a paramount interest in non-disclosure of an informant's identity and a failure to disclose will not infringe the constitutional rights of the accused. Disclosure of the identity of witnesses to be produced at a hearing or trial will be required.
 - c) Such determination of non-disclosure shall be by the Court and shall not be within the discretion of the State or defense. Such non-disclosure shall be sought by motion for protective order.
8. Disclosure shall not be required of:

Any matter otherwise protected by law (however, disclosing the identity of juvenile co-defendants or witnesses shall not be barred because of delinquency non-disclosure statutes).

Work product of counsel including memoranda of opinions, theories, or research for themselves or from their legal or in-house investigative staff.
9. This discovery order is a continuing order through the trial of this cause and no written motion shall normally be required except to compel discovery, for a protective order, or for an extension of time.
10. Failure of either party to engage in and comply with discovery shall not be excused by the parties' unsuccessful or incomplete efforts to enter into a plea agreement or other resolution of the case unless both parties waive in writing (a) compliance with this order for a specified period of time and (b) any speedy trial requirements.
11. Any cost for reproduction or transcripts under this order shall be borne by the party to whom the information is provided except that as to pauper counsel defendants the costs shall be borne by the State or county.
12. Nothing in this Order is to be in contravention of case law or statute.

(Effective January 1, 2006)

LR52-TR79 (H)-1
ASSIGNMENT OF SPECIAL JUDGES IN CIVIL CASES

Purpose of Rule

This rule is adopted to comply with the requirements of Trial Rule 79(H) of the Indiana Rules of Trial Procedure. It is intended to provide a means of selection of special judges ensuring the effective use of all judicial resources within Administrative District 8 (which is comprised of Cass County, Fulton County, Howard County, and Miami County) and includes each person eligible for appointment under Section (J) of Trial Rule 79.

Central Office Established

There is established a Central Office for the keeping of records of appointment and selection of special judges for this District. The Central Office of this District shall be the Howard Circuit Court.

The Courts of this County shall hereafter refer to the Central Office of this District whenever selection of a special judge is required under this rule. Each of the Courts of this County shall accept from the Central Administrator the name of the individual to then be appointed as special judge for a given case.

The person serving as the Central Administrator shall have the following responsibilities:

1. To maintain a list of persons qualified to serve as special judge under Section (J) of Trial Rule 79.
2. To take referrals from the several courts of this District, requesting appointment of a special judge.
3. To alternately and on a rotating basis appoint qualified judges from the list maintained for that purpose.
4. To notify the referring court of the individual to be appointed under this rule.

Current Rotation Schedule

The following shall be the rotation schedule used by the Central Administrator:

4. The Judge of the Howard Superior Court II
5. The Judge of the Fulton Circuit Court
6. The Judge of the Howard Circuit Court
7. The Judge of the Miami Superior Court I

Each of the Courts participating under this rule shall pay each year the sum of Fifty Dollars (\$50.00) to the Central Administrator, payable directly to the Administrator by the 15th day of September of each year.

Certification to the Supreme Court

In cases in which no judge is eligible to serve as special judge in a particular case or where the circumstances of a case require it, the Court shall certify those circumstances to the Supreme Court and that Court shall make the appointment.

Credit for Voluntary Acceptance of Certain Special Judge Cases

If, outside the normal rotation schedule, a judge voluntarily accepts a Cass County, Fulton County, Howard County, or Miami County civil case at the request of the parties to the case or at the request of the Court in which the case is pending, that judge may then receive credit for taking that case, with the Central Administrator skipping over that judge the next time that judge's name comes up for appointment for a case under the above-described rotation schedule. In order to receive such credit, the judge shall notify the Central Administrator of his or her voluntary acceptance of such a civil case no later than seven (7) days after his or her formal qualification and assumption of jurisdiction in that case. At the time that such notification is provided to the Central Administrator, the notifying judge shall also provide the Central Administrator the cause number of the civil case that he or she has voluntarily accepted.
