Odyssey Text Messaging Reminder System

Overview
Odyssey courts can send text messages to remind defendants in criminal cases about upcoming hearings. The initiative is aimed at reducing the number of people who fail to appear in court—which can result in an arrest warrant being issued. Evidence shows reminders can be effective in reducing costly failure to appear rates. The reminders are also part of best practices designed to ensure community safety and fairness to defendants.

How It Works
The texts are sent automatically in any criminal case if there is a cell phone number for the defendant stored electronically by the court, the court is an Odyssey court, and the county has opted into the text system. There is no charge to the county to participate.

Reminders are sent 5 days and 1 day in advance of a hearing from either of the following phone numbers: 317-316-0810 or 317-286-6725. If a text message has been sent but the hearing is cancelled or rescheduled, another message is sent. Recipients can opt out by texting STOP in reply.

Courts Using the System 

The system became available in May 2018. As of August 2019 it is in use by the following counties:

Allen	Owen
Bartholomew	Parke
Cass	Perry
Clark	Pike
Clinton	Porter
Crawford	Putnam
Delaware	Rush
