FY 2018 HEA 1006 Grant Funding Distribution

Award Amount: \$25M

Funding Formula

The primary goal of the funding formula is to objectively disburse the additional grant funds to assist county agencies as they experience an increase in felony level 6 offenders. The main variable indicator is the Community Corrections Grant Application Score, which allows the State to incentivize positive evidence-based practices/programs. This method allows the counties to influence their funding amount through their performance, and is expected to foster continuous improvement.

Key Aspects of the Formula

- Incentivizes positive performances
- Accounts for population differentials between counties
- Adjusts for changes in State funding levels and to county agency populations served

Prioritization of Funding

- Continued grant funding for staffing positions awarded in FY 2016 and FY 2017
- Grant application clearly addresses a plan of expansion for services/monitoring of target population
- New Programs or new treatment services to benefit the county was proposed
- Grant Score and Collaboration Score
