- IV. State Library Report
 - a. Evergreen update
 - Approved Porter County application to join with March go-live date.
 - 80/129 utilizing auto-renewals; 46 are fine-free.
 - 77 participating in transiting video disc program, which is no longer a pilot program. Local decision about whether or not to participate.
 - Server install upgrade, replacing oldest server. 2 more servers to replace which will improve Evergreen response times.
 - b. INSPIRE update
 - N. Brock was investigating how to interpret statistics, but she hasn't received an answer form EBSCO.
 - Decrease possibly affected by loss of Gale content. L. Floyd will do some analysis to determine if loss of Gale content has impacted use.

- J. Wekluk and J. Speer continue working with Jarbo to update INSPIRE site and will be adding the grade-level designations. Jarbo established Instagram and Facebook accounts for INSPIRE to promote.
- c. InfoExpress update
 - Service statistics are very healthy and continue to increase. June was first month since pandemic when we had a higher number of parcels than previous year.
 - N. Brock reports that almost all libraries are back to normal delivery/pick-up schedule.
- d. IN-SHARE update
 - General use picking back up.
- e. SRCS update
 - Autographics has been actively offering webinars to engage users.
 - N. Brock sent an email related to enhancement process.
 - N. Brock attended user group conference. Plan to hire to support additional enhancements and tool development. Session related to academic initiatives, and ideas were shared from Canadian academic library. Suggestions were aligned to the long-term interests of other academic libraries. J. Speer will explore options related to communication with AG around the delayed development of functionalities promised by AG as part of the RFP process.

V. Old Business

a. Discovery to Delivery 2021

- Will be held on 22 October. In-person with online component or online only?
- No breakout groups internally at the State Library. Discussion groups would be on-site or on the online platform, but the two wouldn't be merged.
- S. Garrison said that MCLS has a group working to create information literacy materials for students as they transition from HS to college, specifically around Inspire.
- General topic proposals:
 - Project ReShare (S. Garrison is able to provide updates)
 - Ebook lending (A. Davis will work to identify a presenter)
 - Library of Things (perhaps as a lunch session)
 - OCLC statistics (issues of statewide relevance)

- EBSCO (statistics, INSPIRE, MARC records other ways to enhance discovery)
- Interest groups around other topics?

VI. New Business

- Doodle poll for next meeting date will be distributed.

VII. Meeting adjourned at 2.13 PM.
