INDIGO
Indiana's Government Information Specialists

Indiana Networking for Documents and Information of Government Organizations (a Special Interest Group for State and Federal Government Information)

The purposes of INDIGO are:

Providing a forum for discussion of problems and concerns, and for exchanging ideas by librarians working with government information

Providing a force for initiating and supporting programs to increase the availability, use, and bibliographic control of government information

Increasing communication between government information librarians and other librarians

Contributing to the extension and improvement of education and training of government information librarians

Speaking for Federal and State depositories concerning government information issues
