The Indiana State Library is also pleased to announce that the cost for the courier remains the same as last year. The annual rate for InfoExpress continues to be \$625 per delivery day; however libraries who were not found to be out of standards for 2014 will receive an upfront subsidy of \$525 for the first delivery day. This delivery service subsidy is limited to one library per system, so branches are not eligible for this subsidy. Neither are privately funded libraries.

Additionally, these libraries can qualify for an additional \$425 Resource Sharing Rate subsidy for a second day, if they meet one of the following criteria:

- Subscribes to 5-day-a-week InfoExpress service
- Subscribes to OCLC ILL System
- Is a net lender (#lends / #borrows >= 1.0)
- Is a member of Evergreen Indiana who subscribes to 2 or more days of InfoExpress service

For more information on InfoExpress, please contact Steve Schmidt at steschmidt@library.in.gov.

The 300-foot, partially-enclosed space is furnished and equipped to accommodate individual researchers, local writer/historians, and small groups. Formerly TCPL's computer lab, the newly renovated and fully-equipped center was primarily funded by a 50th anniversary gift from the Friends of TCPL.

“The center is a wonderful way for the Friends to commemorate 50 years of supporting TCPL,” said TCPL Friends President Jessica Teets. “This new space will provide a unique opportunity for people to research and preserve their family heritage and memories.”
