FOR IMMEDIATE RELEASE
December 13, 2022

COVID-19 VACCINES

The Marshall County Health Department will no longer offer Covid-19 vaccines behind Lifeplex at 2855 Miller Drive in Plymouth.

We will offer adult and children Covid-19 vaccines at our office (510 West Adams Street, Plymouth) starting in January 2023 on Tuesdays thru Thursdays by appointment only. Please call 574-935-8565 to schedule.

COVID-19 TESTING SITE

The last day for the Marshall County Health Department Covid-19 Test Site behind Lifeplex will be Friday, December 30, 2022.

We will invite the Indiana Department of Health Covid-19 testing team to come to the site as needed in 2023.

FREE INFLUENZA VACCINES

We will be offering FREE adult and children Influenza vaccines in our office:

- Tuesday, December 13 - Thursday, December 15
- Monday, December 19 - Wednesday, December 21
- 9:00 am - 3:00 pm

No appointment needed!
