IDOH Drive Thru Covid-19 Vaccines and Testing

The Marshall County Health Department has invited the Indiana Department of Health to bring their mobile unit to offer Covid-19 vaccines and testing. This will be a drive thru clinic with no appointment necessary.

The clinic will be held on:

Wednesday, July 27 & Thursday, July 28
10:00 am-4:00 pm
behind Lifplex at 2855 Miller Drive, Plymouth

They will offer Covid-19 vaccines for ages 5 and up as well Covid-19 Rapid and PCR testing.

With Covid-19 cases on the rise in the area, we want to continue to offer our community as many vaccine and testing options as possible.

Reminder if you test positive for Covid-19 isolate for 5 days. Wear a mask day 6-10 when around others. If you are experiencing moderate to severe symptoms, reach out to your health provider for treatment options.
