Dear Mr. Hutchings:

Re: Business Permit # 909
Miami County

The above wastewater management business is authorized to conduct wastewater (septage) activities in Indiana, with the vehicle listed below, subject to IC 13-18-12 and 327 IAC 7.1. The permit does not preempt any duty to comply with other federal, state and local requirements.

VEHICLE ID	MAKE	MODEL	YEAR	CAPACITY
52-023	FORD	F 800	1996	1,250 Gallons

EFFECTIVE DATE

In accordance with IC 4-21.5, the permit becomes effective eighteen (18) days from the date of mailing of this notice, unless this is a timely renewal of an existing permit. If a petition for review is filed before the effective date of the permit, the permit is stayed for an additional fifteen (15) days from the effective date. The permit for which a petition for review has been filed will take effect at the expiration of the additional fifteen (15) day period, unless or until an Environmental Law Judge stays the permit in whole or in part.

EXPIRATION DATE

The permit is not transferable, is subject to revocation & expires at midnight on the last day of February, 2012.
