**LOUISVILLE DISTRICT
WETLAND CONSULTANT LIST**

The following list of names are of consultants who have requested inclusion on a consulting list or have accomplished work related to Regulatory matters within the Louisville District. This list contains the names of all those who have notified us that they provide this service. We have made no attempt to verify the technical competence or the quality of the work product of any party listed. The list has been put together ad hoc to provide a beginning for applicants who ask where to begin looking for consulting assistance. Consultants are listed in alphabetical order, and Louisville District personnel will not recommend any consultant listed. This list is current as of June 12, 1998, and will be periodically updated as required, and provided upon request.
