Clinic/ Nurse: (260)-636-2978 Clinic Fax: (260) 636-3753

Septic Search Form

The Noble County Health Department is asking that you fill out a septic search form to aid us in the search for your septic record. Our septic records are filed in alphabetical order by the owner at the time the septic was installed. The Noble County septic records are only available for homes built after April, 1959, if a repair was done after the home was originally built, we would have a record for the older homes with newer septic.
