SB 4 funding

Jennifer Brock < jennieb21310@yahoo.com>

Tue 6/6/2023 3:59 PM

To:Porter Health <PorterHealth@porterco.org>;

Dear Porter County Board of Health members

I am unable to make your meeting this evening, but wish to register my support for your funding application under Indiana SB4. This is an important and necessary investment in public health that is a long time in coming. Improving access to public health and gathering public health statistics is not only good for our residents but good for attracting businesses and new residents to our area. Indiana particularly lags behind in maternal health outcomes and I hope this will be one of the many issues you will be able to address with this additional funding.

Thank you for considering SB 4 this evening. Jennifer Brock 522 Kinsale Court Valparaiso IN 46385

Porter County Health Department 155 Indiana Avenue Suite 104 Valparaiso, IN 46383

To Porter County Health Department:

We, at NorthShore Health Centers, would like to thank the entire Porter County Health Department for their dedication to the health and well-being of our communities. As a like-minded organization whose mission is: "to provide the most comprehensive and quality healthcare, without exclusion, to everyone, every time" we know and appreciate the benefits of having partners with a common goal.

We are committed to continuing to partner by offering our primary care services, assistance in getting patients up-to-date on recommended vaccines and additional support with patients enrolled in your substance abuse programs.

The services you provide from immunizations to testing, education on health and wellness, lead poisoning and health home programs makes what we do every day even easier. We also applaud your efforts to be involved with local community agencies and coalitions like the Wellness Coalition of Porter County, showcasing that you will meet the community where they are by participating in their health fairs, community education and more.

In a time where community and collaboration are vital to the health of not only our community, but our healthcare system, you continue to be there! Thank you for being a valued partner.

Sincerely,

David Hall

CEO
