

Community Resource Network

Is HERE and LIVE!

<https://portercounty.findhelp.com/>

The Porter County Health Department is committed and excited to work collaboratively with Sam Burgett, the Porter County Sheriff Social Worker, and the Community Resource Network (CRN) to ensure that our residents have a one stop shop to find resources.

We call on all community members to help make this a great place to find resource and community connection to improve the overall health and well being of Porter County

PORTER COUNTY
