

# ON-SITE IMMUNIZATION CLINICS

Our dedicated nurses will come to your school so it is easier for students to get their required immunizations. To set up a clinic at your school just follow the steps below.

## Sign Up

Contact us 4 or more weeks before your target date. We will confirm a date and time and prepare Parental Consent forms.

01

## Receive and Share Information

Three or more weeks before your clinic date we will share the Parental Consent Forms to be sent home with students.

02

## Return Forms

At least one week before the clinic date, return the Parental Consent Forms via the fax or email provided during sign up.

03

## Host Your Screening

Our nurses will arrive before the agreed-upon time to set up to host your clinic. Please ensure that a staff member is available during the clinic.
