Indiana Department of Natural Resources-Division of Water-Licensed Well Drillers Listing KEY to primary drilling services:

DWS- domestic (home) water supply

DEW- dewatering

ENV- environmental / geophysical / geotechnical

HP -heat pumps and geothermal systems, when this is the sole activity in Indiana (several Indiana contractors have added geothermal drilling to their established well installation services; inquire locally.)

IC- industrial / commercial water supply

ICM- industrial / commercial and municipal water supply

IRR- irrigation

Other- Plugging, equipment & supplies, inspection, consulting, research, etc.

Pumps- pump installation (contractor drills few wells or none)

WS- water supply, use not specified (code for known and probable water supply contractors that did not return the profile)

The Indiana DNR Division of Water licenses the water well drillers working for contractors on this list.

The division provides this information as a public service and does not recommend particular contractors. Driller licenses, water well records, and enforcement actions are matters of public record. More information may be available from the Division of Water.
