

# **REQUIREMENTS FOR SHELL EGGS SOLD AT FARMERS MARKETS**

- (1) Eggs must be clean and sound shelled (cracked eggs removed).**
- (2) Dealer must be licensed by Egg Board and present license upon request. (application available on web site)**
- (3) Eggs must be held under refrigeration at an ambient temperature of no greater than 45 degrees Fahrenheit.**
- (4) Used egg cartons may be used ONLY if relabeled with name and address of supplier of eggs.**
- (5) Pack date and expiration date must appear on each carton. Expiration date is 30 days from date of pack.**

Contact your local Health Department for any additional requirements.

**REMEMBER: Shell eggs are an animal protein product, a potentially hazardous food, and require time and temperature control.**

**For further information, review Rules and Regulations of the Indiana State Egg Board (available on web site) or contact the Indiana State Egg Board at 765-494-8510.**
